This book contains business communication information that may not have been taught in college--information that has been accumulated over years of business experience and teaching. Anyone can read these brief tips to learn how to better communicate in business while saving the time that might have been invested in reading many books. The tips cover the fundamental areas of writing, speaking, and interpersonal communication, as well offer general business communication advice. Each tip is a practical application that can be implemented immediately. Each tip is also illustrated by a story from the author's work life in various industries. Lastly, the book also lays a foundation for an understanding of how the brain influences all communication.

The Starting Guide is a three part book that is based around the life and knowledge of entrepreneur, Sheena Allen. Part 1 is about the personal journey of Sheena Allen. Part 2 is a guide on how to develop an app with no coding skills. Part 3 is business 101 tips about mentors, networking, etc.

"You can never have too much support as a survivor. Amy's little pocket book is great to carry around to remind yourself that you can all thrive after sexual abuse."--Dr. Patti Feuereisen, psychologist and author.

Practical advice on every aspect of campus life for students headed off to college What educators and students have to say about David Schoem's College Knowledge: "David Schoem is a devoted teacher. He recognizes the challenges of preparing to be a responsible, compassionate, successful adult in the twenty-first century. He has written a book that can make a meaningful difference in the lives of its readers." ---Jeffrey Lehman, President, Cornell University "College Knowledge is full of wise, straight-to-the-point guidance for success both in and out of the classroom. Every first-year student should read-a--nd heed---David Schoem's advice. Though written for students, parents of first-year students can learn from it, too!" ---Beverly Daniel Tatum, President, Spelman College "College Knowledge is a deceptively straightforward guide appropriate for any student entering higher education. As both a parent and an educator, I highly recommend this sage, yet easy-to-digest guide as a must for the college-bound young adult." ---Pamela Horne, Director of Admissions, Michigan State University "Professor Schoem's insights and encouragement helped me to create many of my most satisfying and lasting experiences during college. This book captures his infectious enthusiasm and will inspire readers to take risks in exploring all that college has to offer." ---Miriam Vogel, former Schoem student
