This book will teach you how to:

- Achieve wealth and cash flow through real estate
- Find property with real potential
- Show you how to unlock the myths that are holding you back
- Negotiating the deal based on the numbers
- Evaluate property and purchase price
- Increase your income through proven property management tools

Outlines how to achieve financial independence and successful self-employment through property investment, discussing such topics as screening potential partners, utilizing research tools, and setting up maintenance and rent collection systems.

Learn how the cash flow generated from property investments appreciates in value and ensures financial freedom.

So you've made your real estate investment, now the question is: How are you going to make it successful? Maximize its potential? MMake it grow? One word: management. Hundreds of thousands know bestselling author Ken McElroy as a real estate investment tycoon. In his new book, he reveals the key to his success, exceptional property management, and teaches you its most important principles, showing you how to fundamentally succeed where others fail. THE ABC'S OF PROPERTY MANAGEMENT tells readers: How to decide when to manage your property and when to hire someone to do it How to implement the right systems and structures for your investment How to manage and maximize cash flow What to expect: a month in the life of an owner-manager How to find the right property manager (and avoid the wrong ones) How to assemble a superior management team.

Many Americans dream of financial freedom, but they're stuck in dead-end jobs and don't know how to get there. You don't need to be one of them. If you invested \$35,000 in the stock market today, it could take 52 years for that investment to grow to \$1 million. But if you invested that same amount into one single-family \$140,000 rental property, it would only take 19 years. With just two rental properties, you could generate \$417,000 in profit in just 10 years. Skeptical? Good, because that's the first sign of a smart investor. This book will tackle that skepticism head on... and give you confidence and a path to financial freedom. THIS BOOK WILL TEACH YOU HOW TO:

- Secure your investment money
- Find your ideal market--and a positive-cash-flow property
- Efficiently manage your property
- Handle your record keeping
- Boost revenues and cut costs
- File your taxes using a step-by-step process
- Build your real estate portfolio

If you're interested in real estate investing, you may have noticed the lack of coverage it gets in mainstream financial media, while stocks, bonds, and mutual funds are consistently touted as the safest and most profitable ways to invest. According to real estate guru Ken McElroy, that's because financial publications, tv and radio programs make the bulk of their money from advertising paid for by the very companies who provide such mainstream financial services. On the other hand, real estate investment is something you can do on your own--without a large amount of money up front. Picking up where he left off in the bestselling ABC's of Real Estate Investing, McElroy reveals the next essential lessons and information that no serious investor can afford to miss. Building on the foundation of real estate investment 101, McElroy tells readers: How to think--and operate--like a real estate mogul How to identify and close expert deals Why multifamily housing is the best real estate investment out there How to surround yourself with a team that will help maximize your money How to avoid paying thousands in taxes by structuring property sales wisely Important projections about the future of real estate investment

So you've made your real estate investment...and now the question is: How are you going to make it profitable? How will you maximize its potential and make it grow in value? One word: Management. Hundreds of thousands know bestselling author Ken McElroy as a real estate investment tycoon. In this book, Ken reveals the key to his success: Exceptional property management. He teaches you the most important principles and keys to achieving success where others fail. THE ABC'S OF PROPERTY MANAGEMENT tells readers: How to decide when to manage your property and when to hire someone to do it How to implement the right systems and structures for your investment How to manage and maximize cash flow What to expect: A month in the life of an owner-manager How to find the right property manager (and avoid the wrong ones) How to assemble a superior management team

Enhanced by a companion CD-ROM containing supplementary material, a revised edition of the classic investment handbook reveals the strategies, secrets, and tips on real estate investing, covering such topics as how to invest safely on a budget, how to set up a simple but efficient record-keeping system, how to locate the best property, and more. Original.

An all-time bestseller, Dolf de Roos's classic Real Estate Riches shows you how to find great deals and make great profits in the real estate market. You'll learn why real estate is such a reliable moneymaker and how to achieve the biggest return possible on your investment. Full of time-honored wisdom, proven tactics, and quick-and-easy tips, this book shows you how to find the best properties with the most potential, analyze deals, negotiate and submit offers, effectively manage properties, and dramatically increase the value of your real estate without spending much money. If you want to be your own boss and quit the nine-to-five life, Real Estate Riches shows you how.
