text, think about what conversation it belongs to and try to enter into it. One way to enter into the text's conversation is to approach a text from two angles: First, as an open-minded believer who acknowledges the text's power, and then, as a skeptical doubter who tries to find weaknesses in the author's argument.

Openstax does have chapter questions available, but I prefer to use reading guides which ask students to read the chapter, pausing to answer questions as they go. I have developed reading guides for several chapters and will add more as I go. I often only award a small number of points for reading guides, about 5 pts and mainly look for completion.

their own, is a perfect time to build vocabulary and comprehension skills through read aloud and Active Reading. Raising an Active Reader makes clear the process of learning to read, how Active Reading fits into raising strong readers, and the behaviors that adults can do to encourage strong language, comprehension, and vocabulary in children in grades K-3. This book extends on the ABCs of Active Reading (Ask Questions, Build Vocabulary, and make Connections) as they apply to older children and picture books, chapter books, and novels. Raising an Active Reader provides
