A Director Prepares is a thought-provoking examination of the challenges of making theatre. In it, Anne Bogart speaks candidly and with wisdom of the courage required to create 'art with great presence'. Each chapter tackles one of the seven major areas Bogart has identified as both potential partner and potential obstacle to art-making. They are Violence; Memory; Terror; Eroticism; Stereotype; Embarrassment, and Resistance. Each one can be used to generate extraordinary creative energy, if we know how to use it. A Director Prepares offers every practitioner an extraordinary insight into the creative process. It is a handbook, Bible and manifesto, all in one. No other book on the art of theatre comes even close to offering this much understanding, experience and inspiration.

What do you do after life has handed you a wake-up call?Author Brian Seth Hurst experienced a significant professional setback, but, rather than “soldier on,” he recognized it as a profound opportunity to acknowledge a deeper foundation at work in his life. It is the affirmation that there is sheer power in what one believes, and, for better or worse, those beliefs are the foundation for the reality we create.The question of “Why?” began a thirty-day inquiry and adventure for Hurst into the unknown. The result is the book W H O L E – a collection of powerful essays that examine how beliefs serve, or do not serve, us in our lives, how those beliefs can be transformed to change our circumstances, and the power of the ultimate connection to Source.What do you do after life has handed you a wake-up call? If you decide to remain awake, then you begin looking at your life. W H O L E is your companion as you review the past, balance all areas of your life, and begin to create anew.W H O L E prompts a very personal, progressive, and conscious examination of concepts and belief systems in every area of your life, ranging from relationships, work and time, to money, the environment, morality and your purpose. It asks provocative and thoughtful questions that lead to understanding.How do your reconcile everything that has happened and is happening in your life with the one you truly want? The good and the bad, the joy and the hurt, the wins and the losses - all those parts form the experience of your life and your identity. Yet, you are much greater than the sum of all those parts.W H O L E allows you to make sense of the pieces of your life as part of the greater being that is You.W H O L E presents you with the opportunity to reconcile the past, arrive wholly connected in the present, and create your future.W H O L E literally answers the question, “What was I thinking?”“To know “whole” in the duality of your reality, you must know broken.To know broken is to recognize that you are, always have been, and always will be WHOLE.”

If I should die before I wake ... Then my soul is Caesar's to take. He pulls me down, he lifts me up. And then he leaves me in the muck. If I should fall before I fly ... Then they know it was the fault of mine. He taught me better, he led the way. I just didn't know how to stay. And if I should not gain his heart ... Fuck that, he made me this way. Curled my thoughts and twisted me. He belongs to me, forever. WARNING: This book is DARK. So dark, I barely found my way writing it. Know this. Understand it. Believe it. It's one long warning from beginning to end, but the love found between the pages is everlasting. This is NOT a conventional couple, and they don't come together with rainbows and silver linings. There's pain. There's violence. There's blood. You have been warned. Please ... Please, walk away if a filthy dark story isn't right for you. You will find no softness here. But if you like it so dark the sun won't make you feel warm again, then you've found the right place, and Caesar is waiting.
