For Jennifer Kent, a recent MBA graduate who has been searching for work in Manhattan for four long months, time and money are running out. an unorthodox arrangement is proposed, Jennifer decides to take it. She agrees to be the "girlfriend" of Alexander Wenn, the reluctant, billionaire CEO of Wenn Enterprises, who is so devastatingly good looking, he needs a beautiful woman like Jennifer on his arm to "keep the wolves at bay." In this case, the wolves are other women, all of whom vie for his attention so aggressively, they keep him from focusing on business at the exclusive events he must attend. It's there that deals are cut. What they want is his money and his power. Damaged by a past event, the only thing Alex wants to do is focus on work. And to forget the past. But can Jennifer deny their white-hot chemistry? As she's swept into this glittering otherworld of society and big business, she finds herself struggling to keep from falling for Alex, an almost impossible feat she nevertheless must meet. Armed with her MBA, Jennifer Kent is a strong woman who knows about business. But what she doesn't know is what could destroy her--the business of protecting her own heart. And maybe her own life.

In "Annihilate Him: Holiday"--in which Lisa, Tank, Epifania and Rhoda also are onboard--romance, love, sexy times and hilarity ensue! The series with more than two million books sold continues to explode in Unleash Me: Wedding! Make sure that you've at least read the Unleash Me series before reading this book. Two-and-a-half years—and several books later—since security expert Tank McCollister first proposed to best-selling author Lisa Ward (see reading order below)—they've finally set a date. They're getting married! If only it were that easy. After a series of mishaps, Lisa finds herself in Prairie Home, Nebraska, on Tank's parents' cow-and-chicken farm. With the wedding days away, conflict simmers between Lisa and Tank's holy-rolling mother, Ethel McCollister, who's no

fan of Lisa—or her books about the undead. Ethel's certain that Lisa's books are sacrilegious. She's worried that Lisa might be demon-possessed. Determined to save her only son from the clutches of the woman of her nightmares, Ethel rises up—and sets out to derail the wedding. Will love win out in the end? If it does, it won't be without one brutal war between Lisa and her potential monster-in-law when events turn vicious—and unexpectedly hilarious—between them. With Jennifer, Blackwell, Alex, Epifania and other fan favorites at Lisa's side, "Unleash Me: Wedding" concludes Lisa and Tank's story. Note: While this book can easily be read as an extension of the Unleash Meseries, it will have more impact if you read the entire series. A hilarious new middle grade novel from beloved and bestselling author Gordon Korman about what happens when the worst class of kids in school is paired with the worst teacher—perfect for fans of Ms. Bixby's Last Day. The Unteachables are a notorious class of misfits, delinquents, and academic train wrecks. Like Aldo, with anger management issues; Parker, who can't read; Kiana, who doesn't even belong in the class—or any class; and Elaine (rhymes with pain). The Unteachables have been removed from the student body and isolated in room 117. Their teacher is Mr. Zachary Kermit, the most burned-out teacher in all of Greenwich. He was once a rising star, but his career was shattered by a cheating scandal that still haunts him. After years of phoning it in, he is finally one year away from early retirement. But the superintendent has his own plans to torpedo that idea—and it involves assigning Mr. Kermit to the Unteachables. The Unteachables never thought they'd

find a teacher who had a worse attitude than they did. And Mr. Kermit never thought he would actually care about teaching again. Over the course of a school year, though, room 117 will experience mayhem, destruction—and maybe even a shot at redemption.

A young woman eager to find success. When Madison Wells lands the job of Barbara Blackwell's personal assistant at Manhattan conglomerate Wenn Enterprises, she thinks she knows what to expect. After all, Madison is no fool. Armed with a freshly-minted MBA, she's researched her new boss, and she's well aware of Blackwell's reputation as a hardcore perfectionist. But reading about her boss is one thing. Coping with the woman's daily demands is another matter entirely, a brutal reality that Madison soon discovers in ways that are by turns harrowing, humiliating, and hilarious. Enter Brock Wenn, the hot new hire, who is so sexy and gorgeous, he immediately makes Madison's toes curl with lust. The daily struggle to satisfy her notoriously difficult boss isn't Madison's only problem. When her new job throws her into close proximity with her hunky new colleague Brock Wenn, electricity ignites between them. Overwhelmed by their instant and undeniable attraction, Madison's ability to focus on her job wavers, a lapse that her eagle-eyed boss spots immediately—and refuses to tolerate. The flames of desire run high and hot in *Ignite Me*. But will those flames build into an inferno—or will the boss-from-hell snuff out Madison and Brock's budding office romance?
