The Official Guide to the MCAT(R) Exam, the only comprehensive overview about the MCAT exam, includes 120 practice questions and solutions (30 questions in each of the four sections of the MCAT exam) written by the developers of the MCAT exam at the AAMC Everything you need to know about the exam sections Tips on how to prepare for the exam Details on how the exam is scored, information on holistic admissions, and more.

The Premed Playbook: Guide to the Medical School Personal Statement helps guide students in crafting their stories for the medical school Admission Committees. It's not only a collection of essays from students who got into top schools, but is a showcase of essays that started badly and were honed to tell great stories. Ryan Gray, MD shares the stories of students who likely didn ' t have a shot, but ultimately succeed, in part because of the advice laid out in The Premed Playbook: Guide to the Medical School Personal Statement. They had to fight their way into medical school—and told a great story to do it.

The Premed Playbook: Guide to the Medical School Interview is the only book needed to prepare premed students for their medical school interviews. Through interviews with Admissions Committee members and others, Dr. Gray has compiled the most comprehensive book on this subject. Premed students want to know what to expect, but more importantly they need to see examples of what successful applicants have done. The Premed Playbook not only gives them close to 600 potential interview questions, it also gives them real answers and feedback from interview sessions that Dr. Gray has held with students.

Did you know that the MCAT (and more importantly, your MCAT score) is one of the biggest determinants of whether or not you are going to get into medical school? Every year, we talk to students who underestimate the MCAT and do poorly, severely hindering their ability to get into medical school their first time applying. The Premed Playbook: Guide to the MCAT gives you the high yield information that you need to know so that you understand what to expect when registering for the MCAT, buying MCAT books and other prep material, looking at MCAT prep courses, finding your MCAT study group, and creating your studying plan. (Use the promo code in the book to save on Next Step's MCAT test prep materials too ) As soon as you know you have to take the MCAT, you need this book. With a solid plan to prep for the MCAT, you can take your application from something that may get overlooked to one that grabs the attention of admission committee members and gets you an interview and an acceptance. Expert Advice With over ten years experience in MCAT test prep, Next Step Test Prep helps half of all students taking the MCAT every year. Dr. Ryan Gray has been helping students on their journey to medical school through The MCAT Podcast, co-hosted by Next Step Test Prep, The Premed Years, and other podcasts and services at Medical School Headquarters.
