Sometimes Never is an emotionally layered story. "I never thought I could love someone so much, but sometimes never is a distorted perception, because I continuously find myself falling deeper in love with her every day." Hope is very messed up due to a horrible event in her early years of life. She finds a dangerous method to help her cope.

15. “Real love moves freely in both directions. Don’t waste your time on anything else.” – Cheryl Strayed. When love is real, both people will feel the same way. There will be love flowing from both of you, and not from just one. If the relationship you were in wasn’t this way, the breakup was likely for the best.
