Mind Platter is a compilation of reflections on life as seen through the eyes of an educator, student, and human who experienced her early days in silence. It is written in the words of a woman who came from Lebanon to Canada at the age of sixteen and experienced what it was like to have fate push her to a place where she didn't belong. It is written in the voice of every person who has felt unheard, mistreated, misjudged, or unseen. The book contains over 200 one-page reflections on topics we encounter in our everyday lives: love, friendship, hurt, inspiration, respect, motivation, integrity, honesty, and more. Mind Platter is not about the words it contains, but what the reader makes of them. May this book give a voice to those who need one, be a crying shoulder for those who yearn for someone to listen, and inspire those who need a reminder of the power they have over their lives.

This is the story of the legendary Muhammad Al Fateh, following him from his childhood and how he was raised by his father to become a Caliph of Islam, through to his appointment as the Caliph of the Ottoman Empire at the tender age of 19 and subsequent rule. Without Constantinople under its jurisdiction, the Ottoman Empire was incomplete. And so, Sultan Muhammad Al Fateh set out to conquer it. Al Fateh was not the first person to attempt conquering Constantinople. Many warriors and caliphs of Islam before him had tried in vain. Learning from their past failures, Al Fateh carefully assembled and equipped his army. Finally, after an epic battle, Constantinople was conquered. Al Fateh changed the name of the city to Istanbul. At his peak, Al Fateh was the ruler of 25 countries. In the end, he was poisoned and killed by his enemies. Yet, the Ottoman Empire and legacy he left behind stayed standing strong.
