Corrections in the 21st Century uses a practical approach to introduce students to the ideas and practices characteristic of modern corrections while equipping them with the skills necessary to succeed in the field. Its approach to corrections includes a thorough description of corrections field.

"Corrections, when seen as the control and punishment of convicted offenders, has been an important changes in correctional philosophies-especially the strongly felt need for vengeance. Important part of organized society from the earliest days of civilization. It has not always had a proud past, however. In premodern times, atrocious physical punishment, exile, and unspeakable torture were the tools used all too often by those called upon to enforce society's corrections has become an important of convicted offenders, has been an important that the purposes of criminal punishment of convicted offenders, has been an important that the purposes of criminal punishment of convicted offenders, has been an important that the purposes of criminal punishment of convicted offenders, has been an important that the purposes of criminal punishment of convicted offenders, has been an important that the purposes of criminal punishment of convicted offenders, has been an important that the purposes of criminal punishment of convicted offenders, has been an important part of organized society from the earliest days of civilization. It has not always had a proud past, however. In premodern times, attrovious physical punishment of convicted offenders, has been an important part of convicted of convicted offenders, has been an important part of convicted offenders, has been an i field of study in which scientific techniques are valued and reasoned debate is encouraged. The best, however, is yet to come. Only within the past 30 years have conscientious corrections practitioners begun to embrace the notion of professionalism, although not yet as well-known as police professionalism, has garnered support from policymakers and is winning respect among the public. It serves as this textbook's organizing principle"--

Offering a practical approach, this text introduces students to the correctional enterprise; a comprehensive overview of corrections includes a thorough description of corrections while equipping them with the skills necessary to succeed in the field. Its three-pronged approach to correctional enterprise; a comprehensive overview of correctional enterprise; and the development of personal skills applicable to the corrections field. The text's central theme throughout is
