Die of Shame - Grove Atlantic

DIE OF SHAME. by Mark Billingham . RELEASE DATE: June 7, 2016. Billingham sets aside his bestselling chronicles of DI Tom Thorne (Time of Death, 2015, etc.) to train a laser-sharp focus on the world's worst therapy group. There's no such thing as an ex-addict, and North London therapist Tony De Silva knows that the best he can hope for is that the members of his Monday night group learn to manage their addictions well enough to remain functioning adults.

DIE OF SHAME - Kirkus-Reviews

But people are literally dying from the shame we heap on them. One clear example of this is organ transplantation. Patients with alcohol use disorder in the USA must, in most hospitals, show they have been sober for six months before they can obtain surgery.

Dying-of-Shame-How-Words-and-Attitudes-Can-Kill

Shame. Whereas embarrassment is a response to something that threatens our projected image but is otherwise morally neutral, shame is a response to something that is morally wrong or reprehensible.

The Psychology of Embarrassment, Shame, and Guilt ---

“Most people lost in the wild die of shame,” the older character tells the younger. “They didn’t do the one thing that could save their lives--thinking.” The setup: Billionaire Charles Morse (Anthony Hopkins) flies his private plane into the Alaskan wilderness so that fashion photographer Robert Green (Alec Baldwin) can photograph Morse’s wife, a famous model (Elle Macpherson).

The Edge movie review & film summary (1997) - Roger Ebert

The initial reaction that comes with shame is the urge to hide or run away. We feel as if we would rather cease to exist for a period of time as evidenced by the expression: to “die of shame”.

Shame: The Hidden Root of Most Psychological Problems ---

Tony De Silva brings up the topic of shame and wants the group to reflect about what each of them are ashamed of about themselves. He thinks shame is the root cause of all of their addictions. One of the five is murdered.

Full of betrayal, deceit and suspense, Die of Shame is the spectacular new book from number-one best seller Mark Billingham - author of Time of Death and In the Dark, both soon to be major BBC series. Every Monday evening six people gather in a smart North London house to talk about addiction.

A brutal murder casts suspicion on a London therapy group in this thriller from the author of The Bones Beneath: “One of my favorite new writers” (Harlan Coben). Every Monday evening, six people gather in a smart North London house to talk about shame. Among them are a grieving surgeon, a betrayed housewife, a taunting gay model, a barely recovered heroin addict. All they have in common is a history of pain and compulsions--until they’re linked by the brutal murder of one of their members. Det. Inspector Nicola Tanner is drawn into this intimate circle to find the killer. Unfortunately, not a single one of them is willing to share. Now it’s up to Tanner to delve into their pasts on her own. But what secret could be so shameful as to kill for it? Or die for it? And how can she possibly find the truth when lies and denial are second nature to her suspects? From British thriller master Mark Billingham comes “one of the best crime novels of the year . . . Shocking, frightening, gripping” (The Independent). “Billingham is one of the most consistently entertaining, insightful crime writers working today.” --Gillian Flynn, author of Gone Girl “Keeps the reader guessing, and second-guessing.” --Tampa Bay Times

Crime, Mystery, Adventure, Thrills - all to be found in this short story collection commencing with 'The Ship that Died of Shame', where a former Navy gunboat is used for smuggling by ex-servicemen down on their luck in post-war society. A further nine stories complete a volume which contains many twists and turns and hard hitting drama.

The novel that set the stage for his modern classic, The Satanic Verses, Shame is Salman Rushdie’s phantasmagoric epic of an unnamed country that is “not quite Pakistan.” In this dazzling tale of an ongoing duel between the families of two men--one a celebrated wager of war, the other a debauched lover of pleasure--Rushdie brilliantly portrays a world caught between honor and humiliation --“shamelessness, shame: the roots of violence.” Shame is an astonishing story that grows more timely by the day.

Help for social anxiety & social phobia. Clear, supportive instructions for assessing your fears, improving or developing new social skills, and changing self-defeating thinking patterns.

Is shame dead? With personal information made so widely available, an eroding public/private distinction, and a therapeutic turn in public discourse, many seem to think so. People across the political spectrum have criticized these developments and sought to resurrect shame in order to protect privacy and invigorate democratic politics. Democracy and the Death of Shame reads the fear that ‘shame is dead’ as an expression of anxiety about the social disturbance endemic to democratic politics. Far from an essential supplement to democracy, the recurring call to ‘bring back shame’ and other civilizing mores is a disciplinary reaction to the work of democratic citizens who extend the meaning of political equality into social realms. Rereadings from the ancient Cynics to the mid-twentieth century challenge the view that shame is dead and show how shame, as a politically charged idea, is disavowed, invoked, and negotiated in moments of democratic struggle.

This volume reports on the growing body of knowledge on shame and guilt, integrating findings from the authors' original research program with other data emerging from social, clinical, personality, and developmental psychology. Evidence is presented to demonstrate that these universally experienced affective phenomena have significant implications for many aspects of human functioning, with particular relevance for interpersonal relationships. --From publisher's description.

Full of betrayal, deceit and suspense, Die of Shame is the spectacular new book from number one bestseller Mark Billingham - author of Time of Death and In the Dark, both soon to be major BBC series. This hardback edition includes an exclusive short story. Every Monday evening, six people gather in a smart North London house to talk about addiction. There they share their deepest secrets: stories of lies, regret, and above all, shame. Then one of them is killed - and it's clear one of the circle was responsible. Detective Inspector Nicola Tanner quickly finds her investigation hampered by the strict confidentiality that binds these people and their therapist together. So what could be shameful enough to cost someone their life? And how do you find the truth when denial and deception are second nature to all of your suspects?

Draws on research with hundreds of interviewees to identify the pervasive influence of cultural shame, discussing how women can recognize the ways in which shame influences their health and relationships and can be transformed into courage and connectivity.

Perfect strangers. A perfect vacation. The perfect murder. . . . “Hugely effective and entertaining [with] many twists and shocks” (TheTimes, London). Three British couples meet around the pool on their Florida holiday and become fast friends. But on Easter Sunday, the last day of their vacation, tragedy strikes: The fourteen-year-old daughter of an American vacationer goes missing, and her body is later found floating in the mangroves. When the shocked couples return home to the United Kingdom, they remain in contact, and over the course of three increasingly fraught dinner parties they come to know one another better. But they don’t always like what they find. Buried beneath these apparently normal exteriors are some unusual kinks and unpleasant vices. Then, a second girl goes missing, in Kent--not far from where the couples live. Could it be that one of these six has a secret far darker than anybody can imagine? Ambitiously plotted and laced with dark humor, Rush of Blood is a “sizzling thriller” by the international bestselling author of the Tom Thorne Novels (The Globe and Mail, Toronto).
