The DCLC chiller is factory assembled, wired, leak tested and electrically tested. Installation (not by Dunham-Bush) consists primarily of establishing water and electrical services to the chiller. The rigging, installation, site wiring, site piping, and insulation of water box covers are the responsibility of the contractor and/or customer.

DCLC Centrifugal water chiller - Dunham-Bush Africa

Dunham-Bush air-cooled chillers with scroll compressors. In order to be able to make full use of the manual, you must first determine your unit model number from the unit name plate. Dunham-Bush package has been manufactured under a stringent quality control system. Each packaged chiller is performance tested at the factory

OS Explorer Map is the Ordnance Survey's most detailed map and is recommended for anyone enjoying outdoor activities such as walking, horse riding and off-road cycling. The series provides complete GB coverage and can now be used in all weathers thanks to OS Explorer Map - Active, a tough, versatile version of the OS Explorer Map.

All Beatrice Shakespeare Smith has ever wanted is a true family of her own. And she's close to reuniting her parents when her father disappears. Now Bertie must deal with a vengeful sea goddess and a mysterious queen as she tries to keep her family – and the Theatre Illuminata – from crumbling. To complicate it all, Bertie is torn between her two loves, Ariel and Nate.

With no-holds-barred honesty and poignant storytelling, Nate Larkin introduces a model of community and friendship that is reinvigorating men's ministry across the country, a model he calls The Samson Society. Too many men see the biblical hero Samson as their model for manhood--a rugged individualist of the highest order. Yet, Samson's solitary successes were eventually overcome by moral weaknesses. Larkin, through the story of his own past and the stories of those in The Samson Society, offers a radical, refreshing alternative.

Starting a church from scratch? Start here! Launch offers specific strategies for beginning a church with no members, no money, and no staff. Readers get clear, practical how-to strategies for quickly raising funds, creating a team, planning services, effective evangelism, and rapidly developing a growing membership. Specific advice is included for reaching that often difficult-to-target demographic, the 20- to 40-year-old. Now thoroughly revised and expanded to keep up with the ever-changing landscape of church planting.

With over twenty percent more material, a must for any lover of distinctive words. This entertaining and informative reference features sophisticated and surprising alternatives to common words together with no-fail guides to usage. Avoiding traditional thesauruses ' mundane synonym choices, Peter E. Meltzer puts each word—whether it ' s protreptic, apostrophize, iracund, or emulous—in context by using examples from a broad range of contemporary books, periodicals, and newspapers. His new introduction makes the case for why we should widen our vocabulary and use the one right word. This groundbreaking thesaurus remains a unique venture, one that enriches your writing while helping you find the perfect word.

Swedish Handknits is a collection of patterns for sweaters, hats, scarves, mittens, headbands, and bags, all inspired by the historic textiles housed at the American Swedish Institute in Minneapolis, Minnesota. The Institute was the first to host the successful Bohus knitting exhibit in America, so it's fitting that their world-class textile collection provides the inspiration for these designs. As in the authors' Norwegian Handknits, vintage photographs of Swedish immigrants, recipes, and photos of the artifacts that inspired the designs will be included, along with a short history of knitting in Sweden. Bohus, twined knitting, and Swedish mittens are some of the many techniques featured in the book.

Nine stories illuminate what it means to be Mormon and how faith serves to humanize, in a work that includes a seriocomic portrait of a young Joseph Smith.

A treasury of Jewish comic book art collects the work of such top names as Will Eisner, Jules Feiffer, and Art Spiegelman, in a volume that is complemented by pictorial essays that trace the Jewish involvement in comic art.

As a self made multi-millionaire, Dani Johnson knows from personal experience what it takes to turn your financial life around. Over the years, Dani has become one of the most sought after success coaches in the world. Her easy to follow, proven success strategies have propelled thousands from all walks of life to achieve extraordinary results in their business and personal lives. In Spirit Driven Success, Dani reveals time tested biblical secrets to achieving financial freedom. Inside you'll discover the spiritual keys that unlock the door to true wealth. You'll also uncover the habits that lead to poverty and financial struggle, the lies about money, how God rewards the spirit of excellence, and much more!
