Included with some recipes are helpful tips that remind cooks that experimentation with ingredients and presentation is never a bad thing in the kitchen. Eat with Me shares recipes from a seasoned home cook that inspires chefs of all levels of experience to blend flavorful ingredients to create delicious meals for family and friends.~~

~~Were you thinking of having fish for dinner? The fish in this story may talk you out of it! After all, fish are pretty bony . . . and have you seen what they eat? Flaps lift up to reveal funny surprises, and Roger De Muth's bright and zany illustrations present a quirky look at the food chain.~~

~~EAT ME is a mouth-watering slice of a modern world where food has become integral to cultural and visual experiences. A stunning waffle cover design sets up what is a visual feast of art creations, restaurant interiors and food packaging designs. From the team behind the sell-out success Design Taste (2009), EAT ME presents a tasty selection of case studies by experts, entrepreneurs and practitioners that will whet the appetite for all things food-related in design.~~

~~Sex and the City meets Nigella Lawson and Jamie Oliver in this delicious combination of love, sex and the art of eating. This is the ultimate book for the those with an appreciation for the mouth-wateringly scrumptious and sensual.~~

~~Do you like to eat fruit and vegetables? Do you know where they come from and how they are prepared for eating?Please Eat Me!, a rhyming picture book, allows children to see for themselves how and where their fruit and veggies are grown - and how different food can look when being cooked or served on the table.From an apple orchard to a carrot patch, kids will love to see the characters in this illustrated/photographic book progress from farm to plate, begging to be eaten!Please Eat Me! is a perfect introduction to healthy eating and vegetarian/vegan nutrition for toddlers, or encouraging picky eaters to try new foods.~~

~~Are your kids slowly getting addicted to junk food? Reverse that inclination by teaching them to eat healthy foods instead. This picture book is highly entertaining and will definitely change your children's perspective of food. By allowing them to learn to eat healthy on their own, they will easily put those concepts to practice too. Encourage our children to start reading this book today!~~
