## **Facilities Planning - James A. Tompkins, John A. White ...**

It is an awful book and extremely bad written: very difficult to follow the author's reasoning/logic. The examples are uncompleted and they are not well explained. The majority of the questions are way more complex than the "theory" explained in the book and there is not explanation for it.

## **Facilities Planning: Tompkins, James A., White, John A ...**

This book provides health and safety guidance for managers, health and safety officers and employees in clinical pathology laboratories. The guidance is relevant to the collection and handling of diagnostic specimens in patient care areas as well as the laboratory.
