“An important reminder of the lessons Madiba taught us all.”—President Bill Clinton
There are numerous books about Nelson Mandela, but *Good Morning, Mr. Mandela* is the first by a trusted member of his inner circle. In addition to offering a rare close portrait, Zelda la Grange pays tribute to Madiba as she knew him—a teacher who gave her the most valuable lessons of her life. Growing up in apartheid South Africa, La Grange, a white Afrikaner, feared the imprisoned Nelson Mandela as “a terrorist.” Yet she would become one of his most devoted associates for almost two decades. Inspiring and deeply felt, this book honors a great man’s lasting gift.

“In *Good Morning, Mr. Mandela*, Zelda la Grange recounts her remarkable life at the right hand of the man we both knew and loved. It's a tribute to both of them—to Madiba's eye for talent and his capacity for trust and to Zelda's courage to take on a great challenge and her capacity for growth. This story proves the power of making politics personal and is an important reminder of the lessons Madiba taught us all.” —President Bill Clinton
“President Nelson Mandela’s choice of the young Afrikaner typist Zelda la Grange as his most trusted aide embodied his commitment to reconciliation in South Africa. She repaid his trust with loyalty and integrity. I have the highest regard for her.” —Archbishop Emeritus Desmond Tutu
“Zelda la Grange has a singular perspective on Nelson Mandela, having

File Type PDF Good Morning Mr Mandela A Memoir Zelda La Grange

served as his longtime personal aide, confidante and close friend. She is a dear friend to both of us and a touchstone to all of us who loved Madiba. Her story of their journey together demonstrates how a man who transformed an entire nation also had the power to transform the life of one extraordinary woman.” —Morgan Freeman and Lori McCreary, actor, producer of *Invictus* A white Afrikaner, Zelda la Grange grew up in segregated South Africa, supporting the regime and the rules of apartheid. Her conservative family referred to the imprisoned Nelson Mandela as “a terrorist.” Yet just a few years after his release and the end of apartheid, she would be traveling the world by Mr. Mandela’s side, having grown to respect and cherish the man she would come to call “Khulu,” or “grandfather.” *Good Morning, Mr. Mandela* tells the extraordinary story of how a young woman’s life, beliefs, prejudices—everything she once believed—were utterly transformed by the man she had been taught was the enemy. It is the incredible journey of an awkward, terrified young secretary in her twenties who rose from a job in a government typing pool to become one of the president’s most loyal and devoted associates. During his presidency she was one of his three private secretaries, and then became an aide-de-camp and spokesperson and managed his office in his retirement. Working and traveling by his side for almost two decades, La Grange found herself negotiating with celebrities and world leaders, all in the cause of supporting and caring for Mr. Mandela in his many roles. Here La Grange pays tribute to Nelson Mandela as she knew him—a teacher who gave her the most valuable lessons of her life. The Mr. Mandela we meet in these pages is a man who

File Type PDF Good Morning Mr Mandela A Memoir Zelda La Grange

refused to be defined by his past, who forgave and respected all, but who was also frank, teasing, and direct. As he renewed his country, he also freed La Grange from a closed world of fear and mistrust, giving her life true meaning. "I was fearful of so much twenty years ago—of life, of black people, of this black man and the future of South Africa—and I now was no longer persuaded or influenced by mainstream fears. He not only liberated the black man but the white man, too." This is a book about love and second chances that honors the lasting and inspiring gifts of one of the great men of our time. It offers a rare intimate portrait of Nelson Mandela and his remarkable life as well as moving proof of the power we all have to change.

Zelda la Grange grew up in South Africa as a white Afrikaner who supported the rules of segregation. Yet just a few years after the end of Apartheid she would become a most trusted assistant to Nelson Mandela, growing to respect and cherish the man she had been taught was the enemy. Good Morning, Mr Mandela tells the extraordinary story of how a young woman had her life, beliefs, prejudices and everything she once believed in utterly transformed by the greatest man of her time. It is the incredible journey of an awkward, terrified young typist in her twenties later chosen to become the President's most loyal and devoted servants, spending most of her adult working life travelling with, supporting and caring for the man she would come to call 'Khulu', or 'grandfather'. Here Zelda pays tribute to Nelson Mandela as she knew him - a teacher who gave her the most valuable

lessons of her life. A man who refused to be defined by his past, who forgave and respected all, but who was also frank, teasing and direct. As he renewed his country, he also freed Zelda from a closed world of fear and mistrust, giving her life true meaning. Now she shares his lasting and inspiring gifts with the world. This is a book about love and second chances. It will touch your life and make you believe that every one of us, no matter who we are or what we have done, has the power to change.

The book that inspired the major new motion picture *Mandela: Long Walk to Freedom*. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's anti-apartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. *LONG WALK TO FREEDOM* is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first

File Type PDF Good Morning Mr Mandela A Memoir Zelda La Grange

time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

He was a son of Africa who became father to a nation and, for billions of people around the world, a beacon of hope, courage, and perseverance in the face of opposition. Now, acclaimed poet Maya Angelou honors the life and remarkable soul of Nelson Mandela, former president of South Africa and Nobel laureate. In *His Day is Done*, Angelou delivers an authentically heartfelt and elegant tribute to Mandela, who stood as David to the mighty Goliath of Apartheid and who, after twenty-seven years of unjust imprisonment on the notorious Robben Island, emerged with “His stupendous heart intact / His gargantuan will / Hale and hearty” to lead his people into a new era. This poignant work of gratitude and remembrance offers condolences to the resilient people of South Africa on the loss of their beloved “Madiba” and celebrates a man like no other, whose life and work changed the world. Praise for *His Day Is Done* “Moving and heartfelt.”—The Washington Post “A powerful, gripping tribute.”—NewsOne “[His Day Is Done captures] how many were feeling.”—BBC News

This incisive, deeply informed book introduces post-apartheid South Africa to an international audience. South Africa has a history of racism and white supremacy. This crushing historical burden continues to resonate today. Under President Jacob Zuma, South Africa is treading water. Nevertheless, despite calls to undermine the

File Type PDF Good Morning Mr Mandela A Memoir Zelda La Grange

1994 political settlement characterized by human rights guarantees and the rule of law, distinguished diplomat John Campbell argues that the country's future is bright and that its democratic institutions will weather its current lackluster governance. The book opens with an overview to orient readers to South Africa's historical inheritance. A look back at the presidential inaugurations of Nelson Mandela and Jacob Zuma and Mandela's funeral illustrates some of the ways South Africa has indeed changed since 1994. Reviewing current demographic trends, Campbell highlights the persistent consequences of apartheid. He goes on to consider education, health, and current political developments, including land reform, with an eye on how South Africa's democracy is responding to associated thorny challenges. The book ends with an assessment of why prospects are currently poor for closer South African ties with the West. Campbell concludes, though, that South Africa's democracy has been surprisingly adaptable, and that despite intractable problems, the black majority are no longer strangers in their own country.

One of NPR's Great Reads of 2018 An unforgettable portrait of one of the most inspiring historical figures of the twentieth century, published on the centenary of his birth. Arrested in 1962 as South Africa's apartheid regime intensified its brutal campaign against political opponents, forty-four-year-old lawyer and African National Congress activist Nelson Mandela had no idea that he would spend the next twenty-seven years in jail. During his 10,052 days of incarceration, the future

File Type PDF Good Morning Mr Mandela A Memoir Zelda La Grange

leader of South Africa wrote a multitude of letters to unyielding prison authorities, fellow activists, government officials, and, most memorably, to his courageous wife, Winnie, and his five children. Now, 255 of these letters, many of which have never been published, provide exceptional insight into how Mandela maintained his inner spirits while living in almost complete isolation, and how he engaged with an outside world that became increasingly outraged by his plight. Organized chronologically and divided by the four venues in which he was held as a sentenced prisoner, *The Prison Letters of Nelson Mandela* begins in Pretoria Local Prison, where Mandela was held following his 1962 trial. In 1964, Mandela was taken to Robben Island Prison, where a stark existence was lightened only by visits and letters from family. After eighteen years, Mandela was transferred to Pollsmoor Prison, a large complex outside of Cape Town with beds and better food, but where he and four of his comrades were confined to a rooftop cell, apart from the rest of the prison population. Finally, Mandela was taken to Victor Verster Prison in 1988, where he was held until his release on February 11, 1990. With accompanying facsimiles of some of his actual letters, this landmark volume reveals how Mandela, a lawyer by training, advocated for prisoners' human rights. It reveals him to be a loving father, who wrote to his daughter, "I sometimes wish science could invent miracles and make my daughter get her missing birthday cards and have the pleasure of knowing that her Pa loves her," aware that photos and letters he sent had simply disappeared. More painful still are the letters written in 1969, when Mandela—forbidden from attending the funerals of his mother and his son

File Type PDF Good Morning Mr Mandela A Memoir Zelda La Grange

Thembi—was reduced to consoling family members through correspondence. Yet, what emerges most powerfully is Mandela’s unfaltering optimism: “Honour belongs to those who never forsake the truth even when things seem dark & grim, who try over and & over again, who are never discouraged by insults, humiliation & even defeat.” Whether providing unwavering support to his also-imprisoned wife or outlining a human-rights philosophy that resonates today, *The Prison Letters of Nelson Mandela* reveals the heroism of a man who refused to compromise his moral values in the face of extraordinary punishment. Ultimately, these letters position Mandela as one of the most inspiring figures of the twentieth century. From *The Prison Letters of Nelson Mandela* “A new world will be won not by those who stand at a distance with their arms folded, but by those who are in the arena, whose garments are torn by storms & whose bodies are maimed in the course of contest.” “I am convinced that floods of personal disaster can never drown a determined revolutionary nor can the cumulus of misery that accompanies tragedy suffocate him.” “My respect for human beings is based, not on the colour of a man’s skin nor authority he may wield, but purely on merit.” “A good pen can also remind us of the happiest moments in our lives, bring noble ideas into our dens, our blood & our souls. It can turn tragedy into hope & victory.”

Documents the anti-apartheid advocate's ten-year effort to unite his country, during which he worked with proponents of apartheid from his jail cell, won the presidency, and helped South Africa's national rugby team host the World Cup as

File Type PDF Good Morning Mr Mandela A Memoir Zelda La Grange

part of a unifying campaign.

Presents letters, notes, diary entries, and photographs from Nelson Mandela's twenty-seven year stay in a South African prison.
