government or our communities. We'll have to take care of ourselves. In *How to Survive the End of the World as We Know It*, James Rawles, founder of SurvivalBlog.com, clearly explains everything you need to know to protect yourself and your family in the event of a disaster—from radical currency devaluation to a nuclear threat to a hurricane. Rawles shares essential tactics and techniques for surviving completely on your own, including how much food is enough, how to filter rainwater, how to protect your money, which seeds to buy for your garden, why goats are a smart choice for livestock, and how to secure your home. It's the ultimate guide to total preparedness and self-reliance in a time of need.
