Illuminations (poetry collection) - Wikipedia

The modernist masterpiece that is Arthur Rimbaud's Illuminations has been given new life with the publication of John Ashbery's "dazzling" (The Economist) new translation, widely hailed as one of the literary events of the year. Presented with French text in parallel and a preface by its translator, Ashbery's rendering powerfully evokes the glittering, kaleidoscopic beauty of the original

Looked at in one way, you could say that 'Illuminations' describes the curve from Still Fresh to Jaded. As a collection of prose poems, you could say it is the better and more acute for that. But the price of his jading was the loss of Arthur Rimbaud to poetry (prose and otherwise). 'Illuminations' was his final body of work.

A volatile and peripatetic poet, the prodigy ARTHUR RIMBAUD wrote all of his poetry in a space of less than five years. His poem "Voyelles" invoked synesthesia, marking him as a founder of French symbolism, and his *Une Saison en Enfer* (A Season in Hell) is considered one of the first works of free verse.

Illuminations allows Rimbaud to create a hyperspace, which is a completely isolated sphere outside the normal space that he has full control over and has different dimensions from the physical world. Initially, the ability had been shown to take the form of small, cubic hyperspaces that can restrain individuals among other purposes.

Arthur RIMBAUD (1854 - 1891) Illuminations include some autobiographical allusions to his voyant (visionary) period, which began in 1869; but Illuminations is neither a confession nor an apology.

The prose poems of Illuminations include Rimbaud's most exotic ecstasies and most insistent contradictions, as well as (most likely) his last completed works: "crystal boulevards rise up and intersect, immediately populated by poor families who shop for groceries at the fruit seller's," while "the inevitable descent of the sky and visiting memories and the s ance of rhythms occupy the home, the head and the world of the mind."

The prose poems of the great French Symbolist, Arthur Rimbaud (1854-1891), have acquired enormous prestige among readers everywhere and have been a revolutionary influence on poetry in the twentieth century. They are offered here both in their original texts and in superb English translations by Louise Varese.

Schizophrenic disassociation of life and mind make for a double tragedy in this young man's early death. A. Ginsberg longed for that ancient connection with the starry dynamo in the night; Rimbaud's brain shook with its deadly current and it made him feel quite odd among the emissaries of French bushwa normality, wearing buttoned coats, with eyes averted, as they stepped over the alter-ego of the boy, the poet in heat, in the gutter of the whorehouse they were leaving. The poems typify European longing for escape from the feudal history of their rigid societies, and make one think of a dog yowling at the moon while teathered to the rock that Sisyphus rolled up the hill. A highly introverted exposay of French longing for the noble savage, dramatically punctuated with images as consoling as the sun going nova, blazing in the eye of a mad dog.

This uncompleted suite of poems by French poet Arthur Rimbaud was first published serially in the Paris literary review magazine "La Vogue." The magazine published part of "Illuminations" from May to June 1886. Paul Verlaine, Rimbaud's lover, suggested the publication of these poems, written between 1873 and 1875, in book form. All forty-two of the poems generally considered as part of "Illuminations" are collected together here in this edition. Of these forty-two poems almost all are in a prose poem

format, the two exceptions are "Seapiece" and "Motion," which are vers libre. There is no universally defined order to the poems in "Illuminations," while many scholars believe the order of the poems to be irrelevant, this edition begins traditionally with "Après Le Deluge" or "After the Flood." Albert Camus hailed Rimbaud as "the poet of revolt, and the greatest." The worth of this praise for Rimbaud can be seen in "Illuminations," one of the most exemplary works of his poetic talent.

Translated, edited and with an Introduction by Wyatt Mason "The definitive translation for our time." –Edward Hirsch From Dante's Inferno to Sartre's No Exit, writers have been fascinated by visions of damnation. Within that rich literature of suffering, Arthur Rimbaud's A Season in Hell—written when the poet was nineteen—provides an astonishing example of the grapple with self. As a companion to Rimbaud's journey, readers could have no better guide than Wyatt Mason. One of our most talented young translators and critics, Mason's new version of A Season in Hell renders the music and mystery of Rimbaud's tale of Hell on Earth with exceptional finesse and power. This bilingual edition includes maps, a helpful chronology of Rimbaud's life, and the unfinished suite of prose poems, Illuminations. With A Season in Hell, they cement Rimbaud's reputation as one of the foremost, and most influential, writers in French literature.

Although he abandoned poetry before he was twenty-one years old, and wrote for only five or six years in all, Arthur Rimbaud has had an extraordinary influence on modern poetry. His work helped inspire poetic Symbolism, Dadaism, and Surrealism. Rimbaud dreamed of re-creating life through his words. Not content merely to describe the world, he longed to reorder it through his revolutionary poetry. He rebelled against all forms of hypocrisy, as well as against conventional concepts of love, morality, religion, and art. He even dreamed of liberating women from "endless servitude." Written a century ago, A Season in Hell and The Illuminations read like the works of an avant-garde poet of today. In her Introduction dealing with Rimbaud's life and work, Enid Rhodes Peschel discusses his concept of the voyant, the poet-visionary he dreamed of becoming through a "reasoned deranging of all his senses." A Season in Hell, which combines autobiography with self-appraisal, vision and hallucination, reflects Rimbaud's tortures in trying to be a voyant. The forty-two poems of The Illuminations, kaleidoscopic evocations of a universe in continual evolution, are further evidence of his attempts to reach this transcendent state. Enid Rhodes Peschel has succeeded in not only translating these works but in recreating them. Eye, ear, mind, and heart have all been engaged in her effort to capture the tone and rhythm of Rimbaud's language as well as the quality of his thought. Book jacket.

The definitive translation of the one of the brightest geniuses of French poetry.

A Season in Hell is an extended poem written and published by French writer Arthur Rimbaud. The book had a considerable influence on later artists and poets, for example the Surrealists. Henry Miller was important in introducing Rimbaud to America in the sixties. He once attempted an English translation of the book and wrote an extended essay on Rimbaud and A Season in Hell titled The Time of the Assassins. The poem is loosely divided into nine parts, some of which are much shorter than others. They differ markedly in tone and narrative comprehensibility, with some, such as "Bad Blood," 'being much more obviously influenced by Rimbaud's drug use than others, some argue. Academic critics have arrived at many varied and often entirely incompatible conclusions as to what meaning and philosophy may or may not be contained in the text, and will continue to do so.

'The poet makes himself a seer by a long, prodigious, and rational disordering of all the senses. . . ' Rimbaud was sixteen when he made this famous declaration. By 1886, then thirty-two and an explorer, trader and slave-trader on the Red Sea, he had absolutely no interest in the fate or success of the poetry infused with mysticism, alchemy and magic that he had written in his teens. That same year, in Paris, Les Illuminations was being published as the work of 'the late' Arthur Rimbaud, first in a Symbolist periodical and then in book form, with an Introduction by his former lover, Verlaine. Seldom has a writer's vision of changing the world through words failed so spectacularly as did Rimbaud's. That failure turned him into an incomparable tragic poet: not only 'a wild undisciplined genius, a mystic philosopher and thinker, an inspired poet' but also, according to Enid Starkie, 'one of the most finished artists . . . a supreme master of prosody and style'. This Penguin Classic reproduces the text of the Pléiade edition, 1954, with selected letters and prose translations that have been highly acclaimed.
