NATIONAL BESTSELLER • A witty, charming, and engaging dive into trivia’s colorful history, from America’s highest-earning game show contestant of all time “Insightful, informative, and written with a strong dose of humor and humility. . . . I loved this book.”—Will Shortz, crossword editor, The New York Times Ken Jennings is trivia’s undisputed king—and as he traces his rise from anonymous computer programmer to nerd folk icon, he explores his newly conquered kingdom: the world of trivia itself. Trivia, he has found, is centuries older than his childhood obsession with it. Whisking us from the coffeehouses of seventeenth-century London to the Internet age, Jennings chronicles the ups and downs of the trivia fad: the quiz book explosion of the Jazz Age; the rise, fall, and rise again of TV quiz shows; the nostalgic campus trivia of the 1960s; and the 1980s, when Trivial Pursuit® again made it fashionable to be a know-it-all. Jennings also investigates the shadowy demimonde of today’s trivia subculture, guiding us on a tour of trivia across America. He goes head-to-head with the blowhards and diehards of the college quiz-bowl circuit, the slightly soused faithful of the Boston pub trivia scene, and the raucous participants in the annual Q&A marathon in Stevens Point, Wisconsin, “The World’s Largest Trivia Contest.” And, of course, he takes us behind the scenes of his improbable 75-game run on Jeopardy! But above all, Brainiac is a love letter to the useless fact. (Who knew that there’s a crater on Venus named after Laura Ingalls Wilder? Ken Jennings, that’s who.) Engaging and erudite, Brainiac is an irresistible celebration of nostalgia, curiosity, and geeky obsession—in a word, trivia.

Traces the history of mapmaking while offering insight into the role of cartography in human civilization and sharing anecdotes about the cultural arenas frequented by map enthusiasts.

What is the smartest, most celebrated game show of all time? In this insider’s guide, discover the rich history of Jeopardy! – the beloved game show that has shaped our culture and entertained audiences for years. Jeopardy! is a lot of things: record-setting game show, beloved family tradition, and proving ground for many of North America’s best and brightest. Nearly four decades into its current edition, Jeopardy! now finds itself facing unprecedented change. This is the chronicle of how the show became a cross-generational touchstone and where it’s going next. ANSWERS IN THE FORM OF QUESTIONS dives deep behind the scenes, with longtime host Alex Trebek talking about his life and legacy and the show’s producers and writers explaining how they put together the nightly game. Readers will travel to bar trivia showdowns with the show’s biggest winners and training sessions with trivia whizzes prepping for their shot onstage. And they’ll discover new tales of the show’s most notable moments-like the time the Clue Crew almost slid off a glacier-and learn how celebrity cameos and Saturday Night Live spoofs built a television mainstay. ANSWERS IN THE FORM OF QUESTIONS looks to the past -- and the future -- to explain what Jeopardy! really is: a tradition unlike any other.

Draws on medical case histories, scientific findings, and personal research by the author to separate myth from fact and debunk a vast array of parental edicts.

A Kirkus Reviews Best Book of the Year The witty and exuberant New York Times bestselling author Ken Jennings relays the history of humor in “lively, insightful, and crawling with goofy factlings.” (Maria Semple, author of Where’d You Go Bernadette)—from fart jokes on clay Sumerian tablets to the latest Twitter gags and Facebook memes. Where once society’s most coveted trait might have been strength or intelligence or honor, today, in a clear sign of evolution sliding off the trails, it is being funny. Yes, funniness. Consider: Super Bowl commercials don’t try to sell you anymore; they try to make you laugh. Airline safety tutorials—those terrifying laminated cards about the possibilities of fire, explosion, depressurization, and drowning—have been replaced by joke-filled videos with multimillion-dollar budgets and dance routines. Thanks to social media, we now have a whole Twitterverse of amateur comedians riffing around the world at all hours of the day—and many of them even get popular enough online to go pro and take over TV. In his “smartly structured, soundly argued, and yes—pretty darn funny” (Booklist, starred review) Planet Funny, Ken Jennings explores this brave new comedic world and what it means—or doesn’t—to be funny in it now. Tracing the evolution of humor from the caveman days to the bawdy middle-class antics of Chaucer to the bawdy middle-class antics of Chaucer to Monty Python’s game-changing silliness to the fast-paced meta-humor of The Simpsons, Jennings explains how we built our humor-saturated modern age, where lots of us get our news from comedy shows and a comic figure can even be elected President of the United States purely on showmanship. “Fascinating, entertaining and—I’m being dead serious here—important” (A.J. Jacobs, author of The Year of Living Biblically), Planet Funny is a full taxonomy of what spawned and defines the modern sense of humor.

Offers facts about the highest landmarks and mountains, the deepest depth of the seas, what countries are shaped like food, ocean inhabitants, and capital location changes.

Organizes questions and answers from the television quiz show into subject categories and dollar value, and includes Double Jeopardy! and Final Jeopardy! clues.

The winner of the 1996 Jeopardy Tournament of Champions leads fans of America’s favorite quiz show step by step from becoming a contestant to winning big, offering insider’s advice and self-testing questions. Original. 35,000 first printing. \$35,000 ad/promo.

2019 UPDATED EDITION - FEATURING THE JEOPARDY! ALL-STAR GAMES "This is Jeopardy!" Celebrate the thirty-fifth anniversary of America’s Favorite Quiz Show® with The Jeopardy! Book of Answers. In honor of this extraordinary milestone, the show’s producers have selected fifteen historic games from over seven thousand episodes that illustrate why the show is every bit as timely—and as lively—as it was the moment that Alex Trebek first took the stage in 1984. You’ll meet Ken Jennings in his first win, and you’ll be there for the stunning end of his record-breaking run. Experience again the epic battle of Man vs. Machine with IBM’s Watson computer. Follow the Celebrity Invitational Finals with \$1,000,000 on the line for charity. Get the play-by-play for championship showdowns, memorable tournaments, and so much more. Each game includes the complete text of the Jeopardy!, Double Jeopardy!, and Final Jeopardy! rounds along with exclusive behind-the-scenes details and photos. Get to know the contestants, and, for the first time in print, you’ll get untold stories from the staff behind some of our most popular players, games, and competitions. Who knows? It may even inspire you to become the next Jeopardy! champion! From the very first Jeopardy! episode to the exciting come-from-behind finish of last season’s Tournament of Champions, The Jeopardy! Book of Answers is a must-have for any fan.
