- The first book to explain how feng shui developed from the Taoist systems of astrology, yin and yang, and the five elements.
- Provides a background on Taoist philosophy to help readers better understand the principles of feng shui and how to use them properly.
- Helps readers improve home, business, garden, property, neighborhoods, and much more. The Chinese art of feng shui has become extremely popular in the West, but too often advice on the subject consists of overly simplistic instructions for rearranging one's house without any explanation of the profound philosophical system behind these changes. The ancient Taoists developed feng shui from their understanding of the subtle interplay of energies that make up the universe, and no true mastery of feng shui is possible without a knowledge of Taoism. Taoist Feng Shui provides step-by-step guidelines for improving your home, business, garden, property, and neighborhood using this ancient system of knowledge. In Taoist Feng Shui, Susan Levitt traces the history of feng shui and shows how it is grounded in knowledge of yin and yang and the five Taoist elements of fire, earth, metal, water, and wood, as well as many other principles essential to Taoism. Once a background in Taoism is established, readers can better understand the philosophy behind concepts such as choosing the best colors for each room of the home, room-by-room furniture placement, yin and yang balance, correct lighting, outdoor landscaping, the function of hallways and entrances, and the proper use of mirrors, crystals, fountains, and other feng shui tools. With in-depth examples from the author's private feng shui practice, Taoist Feng Shui can help all readers transform their personal environments to create peace, harmony, health, wealth, and good fortune.

When trendy young artist Casey Reilly sneaks into Chicago's most exclusive BDSM club under a fake name, she soon finds herself lying naked over the lap of handsome billionaire Jax Hunter as he gives her the first spanking of her life. Hunter's dominance excites Casey more than anything ever has before, but after discovering her deception he has difficulty forgiving her, even after she accepts a thorough, humiliating punishment in front of the entire club. Hunter's cold response to the truth about her identity leaves Casey dejected, but Max Abbott— one of the most respected doms at the club—quickly sets about mending her broken heart. Max mixes firm-handed discipline with gentle reassurance in way that she finds deeply comforting, and his masterful lovemaking brings her pleasure beyond her wildest dreams, but when Hunter tries to win her back will Casey be ready to make the most important choice of her life? Publisher's Note: Casey's Choice includes spankings and sexual scenes. If such material offends you, please don't buy this book.

The quintessential guide to yoga assisting and hands-on teaching, Yoga Adjustments introduces the art and practice of providing yoga assists to yoga students. Addressing one of the most important topics in the yoga field, expert yoga instructor and best-selling author Mark Stephens covers the philosophy of yoga practice, the sensibilities of touch in teaching yoga and improving alignment, the seven principles of hands-on yoga teaching, and the twenty-five most effective methods of tactile cueing. An invaluable resource for all yoga teachers, teacher trainers, and serious yoga students, this book includes a foreword by yoga star Shiva Rea as well as over 850 unique instructional photos and explanatory captions demonstrating precise ways of guiding a variety of flowing sequences. Opening with an in-depth discussion of the philosophy of yoga assisting, Part I--Foundations describes the methods and techniques of giving yoga assistance, with detailed discussions of all of the elements of yoga assisting including communicating with students, qualities of touch, the five basic steps of providing hands-on cues, hands-on positioning and stance. Part II--Applications demonstrates how to assist students in each of over 100 postures in the seven families of asanas (poses). Each chapter begins with background on an asana family and close consideration of its foundation asana. Each asana is presented in a two-page spread with photos that show how to give students effective guidance and support. Part III--Evolution offers thoughts on the further development of yoga in the twenty-first century.
