The Secrets of Personal Success - Life Coaching Centre

So I decided to turn my research into a book, and The Secrets of Successful Coaches was born (out early 2011). " Success does not require a positive mindset, but enjoying success does. If your coaching business is not a part of your wonderful life, what ' s the point?" – Michael Neill. So what are their secrets of success?

The secrets of successful coaches - Coaching Confidence

The title "secrets, tools and strategies" had me thinking I would be learning tips and tools for my success as a life coach. I was disappointed to find that there were no secrets, tools or strategies, just a general overview on what life coaching is like. This is a great book if you have no experience or understanding on what life coaching is.

Discover 8 Secrets to Living an Amazing Life! plus 90 Day ...

You need to have a Life Coach to get you started, to get you there. The Coach will start you off in the correct direction, with all the gear you will need for survival and comfort. He or she will make you realise that by making you aware of all the clutter you carry is only weighing you down which in turn will slow you down and make your journey longer and tiresome, maybe so much so that you will give up.

“From cover to cover, this book provides a wonderfully detailed catalogue of behaviours, techniques and knowledge for the leader and the coach” People Management, 14 May 2012

Secrets of Success in Coaching will bring a breath of fresh air to a subject dominated by case-driven and model-based scenarios. It seeks to demystify and open up the coaching practise and provide tried, tested and solid ways for any coach to develop their skills. Packed full of essential core skills, plain facts and essential tips, tricks and advice all learnt from years of experience, it ' s simple to follow, easy to understand and everything is delivered in a friendly and very accessible way. As a method of training, directing and developing people, coaching continues to increase in popularity and is one of the most common tools used to help people improve their professional and private lives. At last, here ' s a book that strips away the usual complicated and unwieldy approaches and leaves just the golden nuggets, the insider knowledge and the real secrets of success; everything you really need to know to be the best coach you can be.

"The power of positive ACTION! The authors not only share their secrets to building a highly successful practice, but also provide readers with practical, everyday action steps to fill their practice, generate more referrals, and find more clients fast by taking positive actions." —Stephen Fairley, MA, RCC President & Business Coach, Today's Leadership Coaching, Inc coauthor of Getting Started in Personal and Executive Coaching "The Successful Coach is terrific-practical, friendly, and very helpful. Instead of fearfully wondering, 'Can I make it as a coach?' aspiring coaches can shift and confidently ask, 'What kind of difference do I want to make with people?' and 'What wonderful life will I have when I am a wildly successful coach?'" —Marilee Adams, PHD author of Change Your Questions, Change Your Life An easy-to-follow blueprint for developing a successful coaching practice If you are a coach, or want to become one, this book will help you resolve self-limiting beliefs and give you the know-how to build a successful practice. Everything you need to know to be a top coach is set forth in this book. The first half helps you overcome obstacles that hold you back so you can soar to the pinnacle of the profession. You will learn valuable concepts and techniques to improve your coaching skills, including conquering excuses that stand in your path, thinking like a top coach, and tapping into the power of self-motivation. The second half of the book gives you marketing strategies to gain clients and build your business. You will learn how to build a unique niche that fully leverages your own unique competencies and skills. Moreover, the authors help you identify and conquer fears and insecurities that may be preventing you from implementing the marketing and sales tactics that will make your business take off. The authors-two highly successful coaches and one bestselling marketing guru-draw on their own experiences to help you uncover and exploit the unique blend of skills and knowledge that you possess to be a top coach.

A recent trend in personal development is life coaching: it's somewhere between having a personal trainer and a therapist, someone to check up on you and make sure you are doing what you need to do to achieve your personal and professional goals. Life coaches focus on the future not the past, they look at obstacles to success and fulfillment not to open them up for introspection but to overcome them and achieve goals.

"The power of positive ACTION! The authors not only share their secrets to building a highly successful practice, but also provide readers with practical, everyday action steps to fill their practice, generate more referrals, and find more clients fast by taking positive actions." —Stephen Fairley, MA, RCC President & Business Coach, Today's Leadership Coaching, Inc coauthor of Getting Started in Personal and Executive Coaching "The Successful Coach is terrific-practical, friendly, and very helpful. One of America ' s most well-respected success coaches shares effective tools for creating powerful, positive, and lasting life changes If Superman needed a coach, he ' d hire Michael Neill. In this fun, easy-to-read book, join the bestselling author and renowned success coach as he guides you through ten sessions designed to change your life—and the lives of the people you care about most—for the better. Inside, you will learn: • How to stop thinking like a victim • The secret to financial security in any economy • Proven techniques to produce dramatic changes in yourself and others • Simple ways to create lasting relationships • The key to lifelong happiness • Strategies for increasing productivity, energy, and well-being • And more! Whether you want to powerfully impact the lives of the people around you or simply wish to create a deeper, more meaningful experience of being alive, Supercoach is your essential guide to helping yourself and assisting others.

Building upon the fundamental principles devised by Coach John Wooden, Brian D. Biro presents an accessible system for leadership development. With anecdotes, excercises, and Wooden's philosophy, the author captures the essence of Wooden's Pyramid of Success and the secrets behind each of the pyramid's building blocks.

Collectively, the people in this book have helped millions of people live the life of their dreams all over the world. Now, for the first time, you can get up-close and personal with the best as they share their wisdom and experience that others pay thousands to learn. Try this book if you wish to overhaul your lifestyle.

Let's face it. It's not easy to get paid as a life coach...unless you know EXACTLY what to do. Daniel Robbins has been a 6-figure life coach since 2010, and he always talks about how the world needs more life coaches. Inside this book, he'll show you step-by-step how to become a prosperous life coach, and make an awesome career out of it. Here are the things you'll learn: How To Start A Successful Life Coaching Business How To Make Good Money As A Life Coach The Best Places To Market Your Services Top Websites and Recommended eBooks To Get Started And Advance Your Life Coaching Skills The Secret Strategy To Get A Ton of Potential Clients and Turn Them Into Paying Clients Ways To Build A Life Coaching Website Fast The Social Networks You Need To Be Involved In How To Get Testimonials That Sell Your Services How To Give Motivational Speeches The 30-Day Formula That The Successful Life Coaches Swear By What Readers are Saying: "Are you looking to explore the secret to creating a successful life coaching business, or to improve your coaching skills? That's the aim of this volume. It walks you through the basics of the coaching field, while pointing out some examples of, for instance, two types of coaches, and what makes a client choose one coach over another. It also shows you how to build your business, how to market, and how to engage with your colleagues, as you develop business to business relationships. Overall a solid starting point for the novice, or for one looking to determine what they're missing, haven't tried or considered yet, or what they can do to further grow or expand their business. A quick read, it gets to the point, stays on point, without all the fluff; just like a good coach.")

"Coaching remains an underused leadership style. This book offers a usable, practice-led guide to developing the skills to broaden your leadership repertoire. Phil draws on his years of experience as both a leader and a coach to provide insight into coaching successfully, not just with individuals but also with teams. A welcome addition to the expanding coaching canon." Andy Firth, Senior Consultant, Roffey Park Institute, UK "Phil Hayes is one of the best team facilitators and coaches I have ever worked with. If you want to know his secrets and exactly what you should do to get the same results - then read this book." Jenny Rogers, Management Futures Ltd, UK "This is a rich collection of astute observations, case studies, practical tools and signposting to resources offered by a skilled practitioner who writes as a seasoned peer rather than a learned academic. It is likely to appeal to team coaches thinking of working with senior management teams, particularly those who have gained underlying theory and perhaps been licensed in specialised instruments elsewhere, and who want to know what coaching at this level is really like at the coalface." Siobhan Soraghan, Director, Active Insight Consulting Limited "I found this book an excellent introduction to team related issues- be that leading teams, coaching teams or designing and delivering team training interventions. I particularly liked the way it deals with essential themes and skills that will be needed, providing excellent summaries of key principles, and providing additional resources for further research should the reader so desire." Martin Hill, ILM Level 7 Programme Tutor & Coach; British School of Coaching; Coaching Supervisor If you are a manager, coach or team leader and want to build a strong performing team of your own, this book is the one for you! Successful management and leadership of teams is a top business priority. With over 20 years of hands-on experience leading and coaching teams, Phil Hayes offers you a practical guide to team development. Using case studies from practice, the book gives team leaders and coaches advice on: Joining teams and being a successful team player Leading teams to enhanced performance Understanding the role and skill set of the professional team coach Further developing high performing - and poorly performing - teams Understanding and working with organisational culture Practical design tips for team events This is a must-read for professional coaches, facilitators, consultants, HR professionals and trainers as well as for managers and leaders.
