Our training packages include the maintenance training manual, instructor presentation accessed through an interactive HTML curriculum, and student materials. Benefits OEM material created by Boeing: content was designed by Boeing subject-matter experts with ultimate knowledge of the aircraft and its systems.

### ~~Boeing: Maintenance Training~~

The majority of maintenance manuals are customised for a specific fleet, i.e. specific to a particular airline. That way Boeing only provides information that is applicable to those aircraft and even with a given manual you need to be able to filter on applicability to ensure that specific maintenance information is applicable to a specific aircraft.
