Mercedes OM904LA Engine Block — F&J Exports Limited

I have a Mercedes OM 904 LA engine powering a Atlas Copco air compressor. As long as I have owned it (6 years) it has had a problem with taking a long time cranking before it auctually starts. This cranking may take anything from 10 seconds when already warmed up and just shut down after running for an hour, to 30 seconds when starting from cold.
