Ant Anstead's Building a Special brings the Haynes story full circle, coming 61 years after the original Building a 750 Special was written by John Haynes, Haynes Publishing's founder, when he was still a schoolboy. This book is a TV tie-in, following the 12-part TV series Ant Anstead Master Mechanic, aired on Motor Trend, part of the Discover Network in the US and UK, following Ant Anstead's build of his own-design 'special' car, taking inspiration from the Alfa 158 - the first World Championship-winning FI car, which raced from the 1930s until the 1950s. The 12-part TV series followed Ant's build of the car, from the first design ideas, through the construction, culminating in the debut of the car during the 2019 US Grand Prix weekend in Austin, Texas. The book follows Ant's personal build of the car, from the selection of the donor MG TD for the chassis, and Alfa Romeo Spider for the engine and gearbox, through modifying the chassis, building the suspension, steering, brakes, bodywork and interior, and putting all the components together to produce a finished one-off 'special.' Content includes: Introduction The history of specials Planning Donor car Chassis, suspension, steering, rear axle Engine, fuel system, cooling system, ancillaries, exhaust Gearbox Bodywork Braking system Cockpit Wiring Preparation and painting Testing Setting up and Making road legal.

Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information.

A tractor repair manual written for the experienced mechanic by professionals in an easy-to-use format , including numerous photos, illustrations and exploded views.

The BMW 4 Series Service Manual: 2014-2016 contains in-depth maintenance, service and repair information for the BMW 4 Series from 2014 to 2016. The aim throughout has been simplicity and clarity, with practical explanations, step-by-step procedures and accurate specifications. Whether you're a professional or a do-it-yourself BMW owner, this manual helps you understand, care for and repair your 4 Series.The do-it-yourself BMW owner will find this manual indispensable as a source of detailed maintenance and repair information. Even if you have no intention of working on your vehicle, you will find that reading and owning this manual makes it possible to discuss repairs more intelligently with a professional technician.Features:•Maintenance procedures from changing the cabin microfilter to replacing and registering a new battery. This manual tells you what to do and how and when to do it. •Front-to-rear fluid and lubricant service, including xDrive transfer case fluid and ATF. •Cylinder head cover gasket and crankshaft seal replacement. •Cooling system, thermostat and radiator service. •Gasoline fuel and ignition system diagrams and explanations for turbo-valvetronic-direct injection (TVDI) engines. •Service and repair information on BMW EfficientDynamics technology, such as Valvetronic, xDrive, TwinPower turbo, and DSC (dynamic stability control). •Twin scroll (gasoline) turbocharger replacement for 4- and 6-cylinder engines. •Step-by-step variable camshaft timing (VANOS) service. •Suspension repairs, including wheel bearing replacement. •Brakes, steering and ABS troubleshooting and repair. •Heating and air-conditioning repair, including A/C component replacement. •Body and lid repairs and adjustments, including Gran Coupe tailgate and rear doors. •Retractable hardtop service, including electrical, mechanical and hydraulic component operation, locations and replacement. •Electrical system service, with an easy-to-use illustrated component locator section. •Comprehensive wiring schematics, including fuses and grounds. •BMW OBD II diagnostic trouble codes, SAE-defined OBD II P-codes, as well as basic scan tool operation. •BMW factory tolerances, wear limits, adjustments and tightening torques. Engines: •N20 engine: 428i, including xDrive •N26 (SULEV) engine: 428i including xDrive •N55 engine: 435i, including xDrive Manual transmissions: •G36-17BG (4-cylinder models) •G36-45B2 (6-cylinder models, RWD) •G36X-45B2 (6-cylinder models, with xDrive) Automatic transmissions: •ZF 8A8HP45Z
