Michael Morris is an award-winning novelist and a writer's writer. His descriptions of growing up Southern are spellbinding. The first chapter where Brandon, the narrator, is bullied by his mother's sadistic boyfriend is as terrifying as it is compelling and when his grandparents have to leave their farm forever to keep him safe, it's heartbreaking.

Slow Way Home by Michael Morris - Goodreads

Michael's latest novel, *Slow Way Home*, will be released by Harper Collins on September 23 and his work can be seen in the southern anthology *Stories From The Blue Moon Caf\u00e9 II*. Michael and his...

Slow Way Home by Michael Morris - Books on Google Play

Slow Way Home is a tender yet completely unsentimental tale of survival, triumph, and redemption. Listeners will be gripped by its pitch-perfect evocation of the South in the 1970s, when the gains of the Civil Rights Movement were still tested at every turn.

Slow Way Home – HarperCollins

Slow Way Home is a novel for the heart. It is pitch perfect and the character Brandon is going to linger in a lot of minds. The opening chapter is one of the most poignant and powerful I have ever read. This is a fine book. Anne Rivers Siddons. In a remarkably consistent narrative voice, Morris takes us along for a moving, funny ride... Silas House

Slow Way Home by Michael Morris, Paperback | Barnes & Noble®

“*Slow Way Home* is a journey of the human spirit and its themes... make it a novel for the ages.”
(--Richard Paul Evans, author of *The Christmas Box*) “Master storyteller Michael Morris has delivered another stunning novel...touching, truthful, and beautifully written. It is not to be missed!” (--Lynne Hinton, author of *Friendship Cake*)

Slow Way Home Audible Audiobook – Unabridged Michael Morris (Author), Michael Butler Murray (Narrator), WSLM Productions (Publisher) & 0 more 4.6 out of 5 stars 80 ratings

Amazon.com: Slow Way Home (Audible Audio Edition): Michael ...

Slow Way Home is really a nice read. Light, easy, sweet in spots, slice of life story and interesting. It is an important fiction since it deals with the issue of an absent parent, grandparents raising a young boy, a parent who has a wilder lifestyle - not necessarily conducive to raising a child, and legal issues.

Slow Way Home eBook: Morris, Michael: Amazon.com.au ...

Michael Morris. Pain, joy, anger and love suffuse Michael Morris' moving novel *Slow Way Home*, in which a young boy narrates his turbulent journey toward the defining moment in his life. Exploring the meaning of home, Morris builds his novel on the foundation that family and friends more than any place or structure can truly create a home.

Slow Way Home eBook by Michael Morris - 9780061900259 ...

In Slow Way Home, Mike Morris brings to life the main character, Brandon Willard, an eight-year-old whose story reminds us that life is a series of deaths and resurrections -until we finally find our way home. Brandon's early years are spent in the hell of his mother's adulteries and addictions. When she abandons him to chase her

On the surface, Brandon Willard seems like your average eight-year-old boy. He loves his mama, peanut butter and jelly sandwiches, and G. I. Joe. But Brandon's life is anything but typical. Wise beyond his years, Brandon understands he's the only one in this world he can count on. It's an outlook that serves him well the day his mama leaves him behind at the Raleigh bus station and sets off to Canada with "her destiny" -- the latest man that she hopes will bring her happiness. The day his mother leaves, Brandon takes the first step toward shaping his own destiny. Soon he sends himself spending pleasant days playing with his cousins on his grandparents' farm and trying to forget the past. In the safety of that place, Brandon finally is able to trust the love of an adult to help iron out the wiry places until his nerves are as steady as any other boy's. But when Sophie Willard shows up a year later with a determined look in her eye and a new man in tow, Brandon's grandparents ignore a judge's ruling and flee the state with Brandon. Creating a new life and identity in a small Florida town, Brandon meets the people who will fill him with self-worth and self-respect. He slowly becomes involved with "God's Hospital," a church run by the gregarious Sister Delores, a woman who is committed to a life of service for all members of the community, black and white, regardless of some townsfolk's disapproval.

"He's a gambler at best. A con artist at worst," her aunt had said of the handlebar-mustached man who snatched Ella Wallace away from her dreams of studying art in France. Eighteen years later, that man has disappeared, leaving Ella alone and struggling to support her three sons. While the world is embroiled in World War I, Ella fights her own personal battle to keep the mystical Florida land that has been in her family for generations from the hands of an unscrupulous banker. When a mysterious man arrives at Ella's door in an unconventional way, he convinces her he can help her avoid foreclosure, and a tenuous trust begins. But as the fight for Ella's land intensifies, it becomes evident that things are not as they appear. Hypocrisy and murder soon shake the coastal town of Apalachicola and jeopardize

Ella's family.

Erma Lee is on the run . . . Running from an abusive husband . . . running from a mother who doesn't care -- never cared. Running from a soul-numbing factory job that has held her down her entire life ... Erma Lee and her granddaughter, Cher, flee to the town of Wiregrass, Alabama, to escape the past and start over -- or so Erma Lee thinks. Erma Lee forms an unlikely friendship with Miss Claudia, an elderly socialite who is hiding a few details about her own past. Life in Wiregrass is different for Erma Lee and Cher, for here they find mercy and promise -- until, that is, the day Cher's convict father arrives in town, forcing all three women to come to terms with buried secrets.

Live Like You Were Dying is the unforgettable story inspired by Tim McGraw's #1 Country Music song of the same name. It weaves a tale of the miracles that happen once you stop being so busy with life that you actually have time to live it. Millions have embraced the song's lyrics. Now experience the inspirational story that will touch your heart and soul.

Few thirty-day periods in history have been more tumultuous than the fall of Saigon in April of 1975. Few thirty-day periods in history have been more tumultuous than the fall of Saigon in April of 1975. With US military now gone for two years, the North Vietnamese Army routed South Vietnam's forces, resulting in thousands of refugees pouring into the former colonial capital. The world watched and waited for what many expected would be a bloodbath. Escape from Saigon follows various people trapped in the besieged city. Among them are a former GI attempting to rescue his Vietnamese wife's terrified relatives; a Vietnamese-American television reporter whose conflicted heritage threatens her future; an American businessman risking his life to smuggle out his employees; and the last remaining US diplomatic personnel in Saigon, including the ambassador, military liaisons, and CIA operatives. The NVA onslaught is spearheaded by two officers—one intent on maintaining military restraint, the other bent on revenge and will sweep up families, friends, and comrades in this final chapter of a war that has already taken millions of lives. Escape from Saigon is a story of a city and its inhabitants struggling to survive in its most desperate hours—a tale that stays true to the historic record while recounting moments of human hardship, courage, and triumph. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

“Gripping and timely.” —People “The YA debut we’re most excited for this year.” —Entertainment Weekly “A book that knocks you off your feet while dropping the kind of knowledge that’ll keep you down for the count. Prepare to BE slain.” —Nic Stone, New York Times bestselling author of Dear Martin and Odd One Out Ready Player One meets The Hate U Give in this dynamite debut novel that follows a fierce teen game developer as she battles a real-life troll intent on ruining the Black Panther–inspired video game she created and the safe community it represents for Black gamers. By day, seventeen-year-old Kiera Johnson is an honors student, a math tutor, and one of the only Black kids at Jefferson Academy. But at home, she joins hundreds of thousands of Black gamers who duel worldwide as Nubian personas in the secret multiplayer online role-playing card game, SLAY. No one knows Kiera is the game developer, not her friends, her family, not even her boyfriend, Malcolm, who believes video games are partially responsible for the “downfall of the Black man.” But when a teen in Kansas City is murdered over a dispute in the SLAY world, news of the game reaches mainstream media, and SLAY is labeled a racist, exclusionist, violent hub for thugs and criminals. Even worse, an anonymous troll infiltrates the game, threatening to sue Kiera for “anti-white discrimination.” Driven to

Where To Download Slow Way Home Michael Morris

save the only world in which she can be herself, Kiera must preserve her secret identity and harness what it means to be unapologetically Black in a world intimidated by Blackness. But can she protect her game without losing herself in the process?

Twelve years earlier, Jolie Hoyt and Sam Lense, a young anthropology student, had fallen in love, but tragedy struck when Sam began investigating the dark racial history of Jolie's hometown, and now they must try to come to terms with the past.

A group of women, the jin-shei sisterhood, form a uniquely powerful circle that transcends class and social custom. They are bound together by a declaration of loyalty that transcends all other vows, even those with the gods, by their own secret language, passed from mother to daughter, by the knowledge that some of them will have to pay the ultimate sacrifice to enable others to fulfill their destiny. The sisterhood we meet run from the Emperor's sister to the street-beggar, from the trainee warrior in the Emperor's Guard to the apprentice healer, from the artist to the traveller-girl, herself an illegitimate daughter of an emperor and seen as a threat to the throne. And as one of them becomes Dragon Empress, her determination to hold power against the sages of the temple, against the marauding forces from other kingdoms, drags the sisterhood into a dangerous world of court intrigue, plot and counterplot, and brings them into conflict with each other from which only the one who remains true to all the vows she made at the very beginning to the dying Princess Empress can rescue them. An amazing and unusual book, based on some historical fact, full of drama, adventure and conflict like a Shakespearean history play, it's a novel about kinship and a society of women, of mysticism, jealousy, fate, destiny, all set in the wonderful, swirling background of Syai, a fantasy kingdom inspired by Imperial China.

A chilling fable about a family marooned in a snowbound town whose grievous history intrudes on the dreamlike present. The Addisons-Julia and Tonio, ten-year-old Dewey, and derelict Uncle Robbie-are driving home, cross-country, after collecting Robbie from yet another trip to rehab. When a terrifying blizzard strikes outside the town of Good Night, Idaho, they seek refuge in the town at the Travelers Rest, a formerly opulent but now crumbling and eerie hotel where the physical laws of the universe are bent. Once inside the hotel, the family is separated. As Julia and Tonio drift through the maze of the hotel's spectral interiors, struggling to make sense of the building's alluring powers, Dewey ventures outward to a secret-filled diner across the street. Meanwhile, a desperate Robbie quickly succumbs to his old vices, drifting ever further from the ones who love him most. With each passing hour, dreams and memories blur, tearing a hole in the fabric of our perceived reality and leaving the Addisons in a ceaseless search for one another. At each turn a mysterious force prevents them from reuniting, until at last Julia is faced with an impossible choice. Can this mother save her family from the fate of becoming Souvenirs-those citizens trapped forever in magnetic Good Night-or, worse, from disappearing entirely? With the fearsome intensity of a ghost story, the magical spark of a fairy tale, and the emotional depth of the finest family sagas, Keith Lee Morris takes us on a journey beyond the realm of the known. Featuring prose as dizzyingly beautiful as the mystical world Morris creates, Travelers Rest is both a mind-altering meditation on the nature of consciousness and a heartbreaking story of a family on the brink of survival.

Find out what happens when a Kiwi girl ventures into the big city in this sexy and funny slow-burn romantic comedy about going after your dreams. Have you ever stopped to look around at your life and realized nothing is how you want it? Turning thirty has a way of making you take a good, hard look at your life. And I think we all know what any sensible adult does in that situation: tequila shots. Lots of them. It's okay, though, because I've finally escaped my tiny New Zealand home town and my negative parents. And New York is better than my wildest fantasies. So is Michael, the sexy single dad who lives in the apartment upstairs. And he's featuring in my fantasies more and more-even if he's a grump and I only ever seem to make a dork of myself in front of him. Ah well, a girl can dream. Anyway, I've got a
