Stella di Mare is not our first motoryacht of this type. We have built other explorers, such as the 36-metre Metsuyan and the 40-metre Gattopardo, which continue to sail the world's seas. We have carved out a niche for ourselves in the market that ticks all the megayacht boxes. Personalisation right down to the tiniest detail.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

A compact, intermediate-level dictionary covering over 90,000 words and phrases, and 120,000 translations ideal for the home, office, or school.
