anniversary – 25 years since I published my first book, “Swim With the Sharks Without Being Eaten Alive.” “Sharks” is still selling briskly around the world after all this time because the concepts haven’t changed. This is why “Swim With the Sharks” became the success it did, especially coming from a then unknown author from the flyover state of Minnesota.

One research foundation is working to change public perception of sharks by taking people swimming with them – without a cage. No animal on earth has been vilified quite like the shark. Thanks to gory front page images of shark attacks, and blockbusters like “Jaws”, the shark has long been feared and despised.
