The Conjurer's Bird is a beautiful story in the spirit of Possession that is as exciting as The Club Dumas, inspired by one of the great puzzles of natural history: that of the Mysterious Bird of Ulieta. Seen only once, in 1774, by Captain Cook's second expedition to the South Seas, a single specimen was captured, preserved, and brought back to England. The bird was given to famed naturalist Joseph Banks, who displayed it proudly in his collection until its sudden, unexplained disappearance. Two hundred years

Later, naturalists continue to wonder if the world will ever get another glimpse of the elusive bird. Were it not for a colored drawing done by the ship's artist, there would be nothing to say that the bird had ever existed. The Conjurer's Bird is a gripping literary mystery and passionate love story that tackles the intrigue surrounding the celebrated Banks, his secret affair with an enigmatic woman known only as "Miss B," and the legendary bird that becomes a touchstone for their love. Seamlessly spanning two time periods, The Conjurer's Bird is at once the story of this romance and of a present-day conservationist named Fitz, who is drawn into a thrilling and near-impossible race to find the elusive bird's only known remains. What if Baker Street's most gifted resident wasn't called Sherlock Holmes? An evil stalks London, blown in from the tropics. Stories of cursed giant rats and malign spirits haunt the garrets of Limehouse. A group of merchants are, one by one, dying. The elementary choice to investigate these mysterious deaths is, of course, Holmes and Dr Watson. Yet the unique gifts of their housekeeper, Mrs Hudson, and her orphaned assistant Flotsam, will be needed to solve the case. Can she do it all under the nose of Sherlock himself? From the coal fire at Baker Street to the smog of Whitechapel and the jungles of Sumatra, from snake bites in grand hotels to midnight carriage chases at the docks, it's time for Mrs Hudson to

step out of the shadows. Playfully breaking with convention, Martin Davies brings a fresh twist to classic Victorian mystery. Martin Davies grew up in north-west England. All his writing is done in cafes, on buses or on trains, and all his first drafts are written in longhand. He has travelled widely, including in the Middle East, India and Sicily. In addition to the Holmes & Hudson Mysteries, he is the author of four other novels, including *The Conjurer's Bird*, which sold over 150,000 copies and was selected for the Richard & Judy Book Club and *Havana Sleeping*, which was shortlisted for the 2015 CWA Historical Dagger award. He works as a consultant in the broadcasting industry.

Uncomfortable in London after five years in uniform, receives an invitation to spend Christmas at Hannesford Court. It's almost as if nothing has changed. But Tom hasn't forgotten the professor. A strange meeting in Germany has raised a question in his mind: in all his visits to Hannesford before the War, all those years observing the glittering life of its owners, how much did he ever really see?

A young woman leaves her home, summoned to the emperor's court and a husband she barely knows. On the other side of the world, a famous scholar is sent to find and collect the mysterious beasts of legend in the unknown lands of the East. He takes with him an interpreter, Venn, famous for his special gift with language. The

two groups of travellers are destined to cross paths, revealing the secret motives and hidden passions of those who are brought together.

Sherlock Holmes and Mrs Hudson are faced with a new challenge... Dangerous magicians! Precious gems! Dastardly Plans! Sherlock Holmes is just the man... But what if Holmes isn't the only brains at Baker Street? As snow falls on Baker Street, the wintry city is abuzz with excitement: the Malabar Rose – a fabled and enormous ruby – has been sent as a gift to Queen Victoria by the Marharajah of Marjoudh. An extraordinary condition is attached: the gem must be displayed at London's sumptuous Blenheim Hotel. How can the safety of this priceless jewel be assured? The authorities wisely enlist

the help of Sherlock Holmes and his colleague Dr Watson... but fortunately for them, they are also on the receiving end of help from Holmes's redoubtable housekeeper Mrs Hudson and her able assistant, Flotsam the housemaid. The Malabar Rose isn't the only exotic attraction stirring up excitement in the city, however. World famous magician the Great Salmanazar will be amazing the lucky few who can secure tickets at a once-in-a-lifetime spectacular. Not only that, but the world's most beautiful woman – the glamorous, if rather risqué, fire dancer Lola Del Fuego – will be joining him on the bill. With all this excitement and a peculiar disappearance in Ealing, Mrs Hudson and Flottie have their hands full this festive season. Their investigations take in snow-shrouded streets, a toyshop full of

Paris pathos and wisdom. Searching for clues, no one would ever guess that the lives of Arthur and George might intersect. Growing up in shabby-genteel nineteenth-century Edinburgh, Arthur is saddled with a dad who is a disgrace and a mum he wishes to protect, and is propelled into a life of action. To his astonishment, his career as a self-made man of letters brings him riches and fame and, in the world at large, he becomes the perfect picture of the honourable English gentlemen. George is irredeemably an outsider, and has no hope of becoming such a picture. Though he's dogged and logical, a vicar's son from rural Staffordshire, he is set apart, and he and his family are targeted in his boyhood by a poison-pen campaign. George finds safe harbour in the reliability of rules, and grows up to

becomes a solicitor, putting his faith in the insulating value of British justice. Then crisis upsets the uneasy equilibrium of both men's lives. Arthur is knocked for a loop by guilt and other dishonourable emotions. George is put to the sorest test, accused of a horrible crime. And from that point on their lives weave together in the most profound and surprising way, as each man becomes the other's salvation. Arthur & George is a masterful novel about low crime and high spirituality, guilt and innocence, identity, nationality and race. Most of all, it's a profound and witty meditation on the fateful differences between what we believe, what we know and what we can prove. George and his father pray together, kneeling side by side on the scrubbed boards. Then George climbs into bed while his father locks the door

and turns out the light. As he falls asleep, George sometimes thinks of the floor, and how his soul must be scrubbed just as the boards are scrubbed. Father is not an easy sleeper, and has a tendency to groan and wheeze. Sometimes, in the early morning, when dawn is beginning to show at the edges of the curtains, Father will catechize him. "George, where do you live?" "The Vicarage, Great Wyrley." "And where is that?" "Staffordshire, Father." "And where is that?" "The centre of England." "And what is England, George?" "England is the beating heart of the Empire, Father." "Good. And what is the blood that flows through the arteries and veins of the Empire to reach even its farthest shore?" "The Church of England." "Good, George." And after a while Father will begin to groan and

Drums wheeze again. George watches the outline of the curtain harden. He lies there thinking of arteries and veins making red lines on the map of the world, linking Britain to all the places coloured pink: Australia and India and Canada and islands dotted everywhere. He thinks of blood bubbling through these tubes and emerging in Sydney, Bombay, the St. Lawrence Waterway. Bloodlines, that is a word he has heard somewhere. With the pulse of blood in his ears, he begins to fall asleep again. —excerpt from Arthur & George

Manhattan. Father Michael Kavanagh is shocked when he sees a friend from his seminary days at the altar of his humble parish in upper Manhattan--a friend who was forced to leave under scandalous circumstances. Compelled to reconsider the past, Father Kavanagh wanders into the medieval haven of the Cloisters and stumbles into a conversation with a lovely and intriguing docent, Rachel Vedette. Having survived the Holocaust and escaped to America, Rachel remains obsessed with her late father's greatest scholarly achievement: a study demonstrating the relationship between the famously discredited monk Peter Abelard and Jewish scholars. Feeling an odd connection with Father Kavanagh, Rachel shares with him the work that cost her father his life. At the center of these

interrelated stories is the classic romance between the great philosopher Abelard and his intellectual equal, Héloïse. For Rachel, Abelard is the key to understanding her people's place in history. And for Father Kavanagh, the controversial theologian may be a doorway to understanding the life he himself might have had outside the Church.

In 1937, Adam Nicolson's father answered a newspaper ad—"Uninhabited islands for sale. Outer Hebrides, 600 acres. . . . Puffins and seals. Apply."—and thus found the Shiantis. With a name meaning "holy or enchanted islands," the Shiantis for millennia were a haven for those seeking solitude, but their rich, sometimes violent history of human habitation includes much more. When

he was twenty-one, Nicolson inherited this almost indescribably beautiful property: a landscape, soaked in centuries-old tales of restless ghosts and Bronze Age gold, that cradles the heritage of a once-vibrant world of farmers and fishermen. In *Sea Room*, Nicolson describes and relives his love affair with the three tiny islands and their strange and colorful history in passionate, keenly precise prose—sharing with us the greatest gift an island bestows on its inhabitants: a deep engagement with the natural world.
