About The Right Hand of Evil. When the Conways move into their ancestral home in Louisiana after the death of an estranged aunt, it is with the promise of a new beginning. But the house has a life of its own. Abandoned for the last forty years, surrounded by thick trees and a stifling sense of melancholy, the sprawling Victorian house seems to swallow up the sunlight.

The knife with which he'd slit open his own belly was still clutched in the stiffened fingers of his right hand, and his entrails lay in a bloody tangle below his dangling feet. A swarm of flies had already settled on his disemboweled corpse; soon their eggs would hatch, releasing millions of maggots to feast upon him. He had found his escape.

The Conway's ancestral home has seen it's fair share of evil deeds, but when the family again takes possession of the hulking Victorian mansion, even they are unprepared for what awaits them inside. Reprint.

His hand trapped in the door of a speeding car, a man struggles to remain upright as he's dragged along a deserted stretch of mountain road. It's the perfect place to drive a man to his grave - literally. Starting with a crime so gruesome even prowling coyotes keep their distance, a killer begins crisscrossing the southern states on a spree of grisly murders. A hundred miles away, Ali Reynolds is grieving. The newscasting job she once delighted in is gone and so is the philandering husband she loved and thought she knew. When a member of the family who gave Ali a generous scholarship for her education decades earlier suddenly requests a meeting, Ali wonders what it can mean. But before she can satisfy her curiosity, she receives another startling call: a friend's teenage daughter has disappeared. Ali offers to help but, in doing so, she unknowingly begins a quest that will reveal a deadly ring of secrets, at the centre of which stand two indiscriminating killers.

explosive terrorist attack on San Francisco's Golden Gate Bridge reveals that a Federal witness long thought dead is still alive, the organization he'd agreed to testify against will stop at nothing to put him in the ground. FBI Special Agent Charlie Thompson is determined to protect him, but her hands are tied; the FBI's sole priority is catching the terrorists before they strike again. So Charlie calls the only person on the planet who can keep her witness safe: Michael Hendricks. Once a covert operative for the US military, Hendricks makes his living hitting hitmen... or he did, until the very organization hunting Charlie's witness--the Council--caught wind and targeted the people he loves. Teaming up with a young but determined tech whiz, Cameron, on the condition she leave him alone after the case, Hendricks reluctantly takes the job. Of course, finding a man desperate to stay hidden is challenging enough without deadly competition, let alone when the competition's shadowy corporate backer is tangled in the terrorist conspiracy playing out around them. And now Hendricks is determined to take the Council down, even if that means wading into the center of a terror plot whose perpetrators are not what they seem.

Red Right Hand is the first book in the fantastically creepy Mythos War series by Levi Black. Charlie Tristan Moore isn't a hero. She's a survivor. Already wrestling with the demons of her past, she finds herself tested as never before when she arrives home one night to find herself under attack by three monstrous skinhounds straight out of a nightmare. Just as hope seems lost, she is saved by a sinister Man in Black, dressed in a long, dark coat that seems to possess a life of its own and wielding a black-bladed sword in his grisly red right hand. But her rescue comes at a cost. The Man in Black, a diabolical Elder God, demands she become his Acolyte and embrace a dark magick she never knew she possessed. To ensure her obedience, he takes her friend and possible love, Daniel, in thrall as a hostage. Now she must join The Man in Black in his crusade to track down and destroy his fellow Elder Gods, supposedly to save humanity from being devoured for all eternity. But is The Man in Black truly the lesser of two evils—or a menace far more treacherous than the eldritch horrors she's battling in his name? Books of the Mythos War Red Right Hand Black Goat Blues At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Ali Reynolds is mad as hell and she isn't going to take it anymore! Fired from her glamorous high profile LA anchorwoman job, Ali's returned to her hometown of Sedona, Arizona to lick her wounds, shedding her old life and her old husband (the 'cheating rat') in the process. She's started a blog to help vent her feelings of betrayal: cutlooseblog.com. But the day before their final decree nisi, Ali's estranged husband is found dead in Palm Springs - having been trussed up in the boot of a car and left on the railway tracks to be pulverized by an oncoming freight train - leaving behind him a rich estate and a pregnant fiancée. Not only is Ali the sole heir to her soon-to-be-ex-husband's estate, she's also the prime suspect in his murder. Soon she's heading down a path strewn with corpses and danger alike. But little does Ali realize the extraordinary part her blog will play in tracking down the real culprit.

This is the book, as the brother of a homicide victim, that I was compelled to write. I am more at home in my shed working on a classic car than trying to be an author. However my aim is to tell my story, my way and to inform the reader of the devastation that a serial killer, had

on myself, my family and anyone else unfortunate enough to come into contact with him. I am the only person that can put together most of the facts of the murder of three people, that this serial killer has been convicted of. However there is much much more to this story. I give an insight into those lives lost, the crime scenes, the raising of public awareness and the reward offered by the New South Wales State Government. I also tell of the nationwide manhunt that I undertook to achieve his apprehension and conviction. This killer is now eligible for parole for the third time and this book is part of my campaign to prevent this from happening. I aim to create an awareness in the community of the failure of our legal system and those who should serve us. I strive to give a voice to the families of homicide victims and support our right to have as normal a life as possible. A life that other members of society enjoy. A life that does not have to endure the constant threat of a serial killer being released, by an uncaring legal process. A process that places more consideration on the legislated rights of the offender than the rights of every day citizens.

When his senile grandmother comes to stay with him, teenager Matt Moore finds himself caught up in a shameful secret between his mother and his late aunt that haunts both him and his mother, who seeks redemption for her sins. 100,000 first printing.

The company has been scattered far and wide in its mission to prepare Faltha for war - now the armies of the Destroyer are near and invasion is imminent. Leith has returned to the city of Instruere. Bearing with him the legendary Jugom Ark, thousands flock to him to fight for Faltha in the coming battle. But Leith struggles to accept their faith in him, and his role as custodian of this sacred artifact. As the land darkens under the shadow of impending battle, the company must strive against treachery and self-doubt - for a great evil approaches.

New York Times bestselling author John Saul is a master at writing novels that chill the bones, curdle the blood, and tap into our darkest fears. He creates characters so real that you ' ll feel as if they ' re friends or family, and throws them into situations so terrifying that you won ' t be able to look away until you turn the final page. Now, in *Faces of Fear*, Saul proves that there ' s a fine line between perfection and madness. Fifteen-year-old Alison Shaw may not be beautiful, but she doesn ' t really care: She ' d much rather read a good book than primp in front of a mirror anyway. But Alison ' s gorgeous mother, Risa, knows that beauty can be a key to success and wishes only the best for her daughter, especially when Risa marries a widowed plastic surgeon and moves Alison from Santa Monica to Bel Air. Beauty may be only skin deep, but to the denizens of Bel Air it means the world. Everywhere mother and daughter look, they are surrounded by beautiful people, many of whom have benefited from the skills of Alison ' s new stepfather, the charismatic Peter Dunn. Peter is certain he can turn Alison into a vision of loveliness, and Risa—drawn in by his cool confidence—is delighted. Reluctantly, Alison agrees to undergo the first procedure, and her transformation begins. But soon Alison discovers a picture of Peter ' s first wife. To Alison ' s horror, she notices a resemblance between the image in the photo and the work her stepfather is doing on her. Though Risa refuses to acknowledge the strange similarity, Alison becomes increasingly frightened. Digging further into her stepfather ' s murky past, Alison uncovers dark secrets—and even darker motives—and realizes that her worst fears are fast becoming her reality.
