Based on the classic Walt Disney animated movie, this Little Golden Book retelling of The Sword in the Stone was first published in 1963.

The extraordinary story of a boy called Wart — ignored by everyone except his tutor, Merlin — who goes on to become King Arthur.

Except for the dragon-shaped constellation that appeared at his birth, there was nothing that suggested Arthur was destined for greatness. Narration by Christian Coulson (Tom Riddle, Harry Potter and the Chamber of Secrets).

About the series: Epic battles, thrilling quests and forbidden love combine in the medieval story of the boy who would be king.
