The Western Lands William S

The Western Lands is a 1987

novel by William S. Burroughs.

The final book of the trilogy that

begins with Cities of the Red

Night and continues with The

Place of Dead Roads, its title

refers to the western bank of the

Nile River, which in Egyptian

mythology is the Land of the

Dead. Inspired by the Egyptian

Book of the Dead, Burroughs explores the after-death state by means of dream scenarios, hallucinatory passages, talismanic magic, occultism, superstition, and his characteristic view of the na

The Western Lands - Wikipedia
The Western Lands is the eagerly awaited new novel by the most visionary American novelist of the twentieth century—a haunting Book of the Dead for the nuclear age. Every new work from the pen of William S. Burroughs is an important literary event. This is especially so in the case of The Western Lands. For in this novel, Burroughs completes a trilogy that began with Cities.

legendary author of Naked Lunch is the first of the trilogy with The Places of the Dead Roads and his final novel, The Western Plains.

A good old-fashion shoot-out in the American West of the frontier days serves as the springboard for this hyperkinetic adventure in which gunslingers, led by Kim Carson, fight for galactic freedom. The Place of Dead Roads is the second novel in the trilogy with Cities of the Red Night and The Western Lands.

Drawing heavily on Egyptian mythology, this visionary novel follows Joe the Dead, Kim Carsons, Neferti, Hassan i Sabbah, and the Old Man of the Mountains on their hazardous

Fourteen stories use images of comedy and nightmare to deal with parents, children, love, marriage, passion, and divorce

Last Words: The Final Journals of William S. Burroughs is the most intimate book ever written by William S. Burroughs, author of Naked Lunch and one of the most celebrated literary outlaws of our time. Laid out as diary entries of the last nine months of Burroughs's life, Last Words spans the realms of cultural criticism, personal memoir, and fiction. Classic Burroughs concerns -- literature, U.S. drug

Acces PDF The Western Lands William S Burroughs

policy, the state of humanity, his love for his cats -- permeate the book. Most significantly, Last Words contains some of the most personal work Burroughs has ever written, a final reckoning with his life and regrets, and his reflections on the deaths of his friends Allen Ginsberg and Timothy Leary. It is a poignant portrait of the man, his life, and his creative process -- one that never quit, not even in the shadow of death.

With the publication of Naked Lunch in 1959, William Burroughs abruptly brought international letters into the postmodern age. Beginning with his very early writing (including a chapter from his and Jack Kerouac's never-

before-seen collaborative novel), Word Virus follows the arc of Burroughs's remarkable career, from his darkly hilarious "routines" to the experimental cut-up novels to *Cities of the Red Night* and *The Cat Inside*. Beautifully edited and complemented by James Grauerholz's illuminating biographical essays, *Word Virus* charts Burroughs's major themes and places the work in the context of the life. It is an excellent tool for the scholar and a delight for the general reader. Throughout a career that spanned half of the twentieth century, William S. Burroughs managed continually to be a visionary among writers. When he died in 1997, the world of letters lost its

Acces PDF The Western Lands William S Burroughs

most elegant outsider.

My Education is Burroughs's last novel, first published two years before his death in 1997. It is a book of dreams, collected over several decades and as close to a memoir as we will see. The dreams cover themes from the mundane and ordinary - conversations with his friends Allen Ginsberg or Ian Sommerville, feeding his cats, procuring drugs or sex - to the erotic, bizarre and visionary. Always a rich source of imagery in Burroughs's own fiction, in this book dreams become a direct and powerful force in themselves.
