~~Undead and Unwary: Davidson, MaryJanice: Amazon.com.au: Books~~

Undead and Unsure is book twelve in the Undead/Betsy Series by MaryJanice Davidson. I'm sorry to say this, but I didn't enjoy it. Betsy is a self-centered, shoe-a-holic, who I've loved in previous books. In this book, Betsy was far more scatterbrained and I could only tolerate a couple chapters at a time. The other downfall of this book was the ...

Vampire queen Betsy Taylor puts her most formidable skills to the test to outwit a nefarious devil relative. By the best-selling author of Undead and Unsure. 50,000 first printing.

Vampire queen Betsy Taylor is back—and there ' s going to be hell to pay... After her recent trip to hell, Betsy isn ' t exactly sorry she killed the devil, even though it ' s put her sister Laura in a damnable position: forced to assume the role of Satan—she may not have the training, but she sure looks great in red—and in charge of billions of souls now that she ' s moved up in the world. Or is that down? But Betsy ' s in an odd new situation as well—that of being a monarch suddenly in charge of all things earthbound, like her husband, Sinclair, who has gone from relieved to ecstatic to downright reckless now that he can tolerate sunlight. As if that wasn ' t enough, Betsy and Sinclair ' s adopted little BabyJon is finally starting to walk. And if the increasingly unpredictable toddler is anything like his extended family, precisely where he ' s headed is anyone ' s guess.

As her birthday approaches, vampire queen Betsy Taylor finds herself playing politics with a group of European vampires who have come to pay their respects and coping with her reluctant fianc â e Eric, who is trying to dodge wedding plans.

Access Free Undead And Unwary13 Maryjanice Davidson

Betsy the vampire queen is faced with the trials and tribulations of the holiday season, as she struggles to cope with a half-sister who is the devil's daughter, an evil stepmother, a fiend living in her basement, killers and spirits running amok, and a spring wedding to plan with her one-time nemesis, Eric Sinclair. Reprint.

As Fred the Mermaid tries to fit in with her own kind, she finds herself hooked on both Artur, the High Prince of the undersea realm, and Thomas, a hunky marine biologist. She's also caught between two factions of merfolk: those happy with swimming under the radar-and those who want to bring their existence to the surface.

First Betsy Taylor loses her job, then she's killed in a car accident. But what really bites is that she can't seem to stay dead. And now her new friends have the ridiculous idea that Betsy is the prophesied vampire queen, and they want her help in overthrowing the most obnoxious power-hungry vampire in five centuries.

“ MaryJanice Davidson ’ s Undead series is laugh-out-loud funny. ” —Heroes and Heartbreakers New York Times bestselling author MaryJanice Davidson is back. So is Betsy Taylor, “ everyone ’ s favorite vampire queen ” (Bitten by Books) and this time Betsy ’ s going viral... If Betsy Taylor has learned anything about ruling Hell it ’ s: 1) She can't do it alone, and 2) She doesn ’ t have to. She ’ s got the help of a devoted vampire king, a dateless zombie, an exhausted new mom, an unshowered cop, a bitchy ghost, a kindly dead priest, and her late stepmother (“ Go Team Satan 2.0! ”). But the latest major hurdle in her afterlife is so big she can ’ t even see it until it ’ s on YouTube. Betsy ’ s father and half sister Laura (a former Antichrist with a grudge) have teamed up, for what sinister purpose Betsy can't imagine. The former Antichrist didn't take kindly to getting what she wished for, and has decided that's entirely the fault of the vampire queen. What that means for Betsy is trouble (more than usual, even) and possible exposure to an unsuspecting world. Meanwhile Hell is having a deleterious effect on Betsy's friends ("I didn't think it was possible, but the damned are getting meaner."), the newly dead are confused about Hell's new rules ("A buddy system? Really?"), and the vampire king is trying to poach on Betsy's territory. Betsy loves her husband, but that's not the same as trusting him. Before long the king and queen of the vampires aren't speaking to each other, the mansion on Summit Avenue is a war zone, and Betsy's getting calls from a werewolf, a mermaid, and worst of all, her mother ("What do you mean you can't babysit?"). No one said life after death would be easy, but c'mon: this is ridiculous.

Betsy Taylor, Queen of the undead, has snagged a dream job in a shoe store (just like a normal person!). But when vampires start getting killed off, Betsy enlists the help of the sexy vampire Sinclair. Now she's really treading dangerous ground-but this time in brand-new high heels.

All-new in the New York Times bestselling drop-dead funny series. Vampire Queen Betsy Taylor thought she couldn't die. So what's she doing in the morgue? It could have something to do with a time- traveling trip she made, and a foe with a wicked agenda that could finally be the real death of Betsy-if she's not careful.

The New York Times bestselling series. With her wedding fast approaching, cold feet don't come as a surprise to Betsy Taylor-especially with an undead groom. But when her fianc? and most of her loved ones go missing, it's up to Betsy to find them-and whoever is behind the disappearances.
