William Coopers Town Power And  
William Cooper and James Fenimore Cooper, a father and son who embodied the contradictions that divided America in the early years of the Republic, are brought to life in this Pulitzer Prize-winning book. William Cooper rose from humble origins to become a wealthy land speculator and U.S. congressman in what had until lately been the wilderness of upstate New York, but his high-handed style of governing resulted in his fall from power and political disgrace.

William Cooper's Town: Power and Persuasion on the ...

William Cooper's Town: Power and Persuasion on the Frontier of the Early American Republic is a history book written by American historian Alan Taylor, published by Vintage in August 1996. It profiles the life of William Cooper, father of novelist James Fenimore Cooper, on the frontier of upstate New York.

---

William Cooper's Town - Wikipedia

Taylor makes it clear that in a rapidly changing nation William Cooper's development of Cooperstown and his son's creation of the village of Templeton in The Pioneers were different stages of a common effort, over two generations, to create, sustain, and justify a wealthy and powerful estate.

William Cooper's Town by Alan Taylor: 9780679773009 ...

In *William Cooper's Town*, Alan Taylor dramatizes the class between gentility and democracy that was one of the principal consequences of the American Revolution, a struggle that was waged both at the polls and on the pages of our national literature. Taylor shows how Americans resolved their revolution through the creation of new social reforms and new stories that evolved with the expansion of our frontier.

Amazon.com: William Cooper's Town: Power and Persuasion on ...

Cooper took the Federalist side of a debate in the 1790s that pitted two conceptions of authority against each other: political leaders as genteel, aristocratic "Fathers of the People" or as a new, egalitarian "Friends of the People" (embodied by a growing Republican backlash). In the end, Cooper's (and the Federalists') strivings for an older colonial style of gentility resulted in their political downfall by the Republican Revolution of 1800 - which Taylor maintains was a product of local ...

---

Cooper & son by Richard Brookhiser | The New Criterion

William Cooper was an American merchant, land speculator and developer, the founder of Cooperstown, New York. A politician, he was appointed as a county judge and later served two terms in the United States Congress, representing Otsego County and central New York. He was the father of James Fenimore Cooper, who became a noted writer of historical novels related to the New York frontier.

---

William Cooper (judge) - Wikipedia

The collection clearly documents the land transactions for the area south of the Mohawk River near Otsego Lake in New York State beginning in 1769 with the land grant from the King of England to George Croghan, the numerous land deals during the next 16 years, William Cooper and Andrew Craig's purchase of a portion of that land in 1786, the settlement of Cooperstown, and William Cooper's powerful role as land agent for over twenty large patents in upstate New York in the 1790's and early 1800's.
