course, edit and understands it becomes the must.

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does

This is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

Grammar is an essential element of language learning. Yet it can be hard to teach and difficult to learn. Oxford surveyed over one thousand teachers to find out the biggest challenges

# Bookmark File PDF

## Workbook English Hub 1a

facing grammar students. Elements of Success solves those challenges. Level-appropriate charts explain grammar in a clear, simple and highly visual way so that students can readily understand and review the grammar points. The charts have easy-to-understand explanations, manageable sections, and effective use of color making them accessible. Many of the grammar charts include common student errors. Grammar activities point students back to specific sections of the charts, so they know exactly where to look for help. The content is engaging, relevant, and meaningful, capturing students' interest. All the charts, activities, information and pronunciation notes use authentic, corpus-based language based on the 2-billion word Oxford English Corpus so that students learn

grammar as it is most likely to be used by a native speaker. Additional Research Says notes, For Your Information notes, and Pronunciation notes throughout Elements of Success provide students with interesting, useful information. Extensive practice activities ensure students retain their learning, reducing time spent re-teaching the same grammar points. Students are given multiple ways to use the grammar so that they can not only remember it, but are able to apply it. All the grammar practice activities can be adapted to the unique needs of the students and of the classroom. Think about It, Write about It and Talk about It activities are flexible, open-ended activities which integrate listening, speaking, reading, and writing skills, and engaging topic-based activities put grammar in
